- **B.2 Dennis Cortes-Upshur County Parks & Recreation Board –** The Mayor recognized Dennis Cortes to provide a report from the Upshur County Parks & Recreation Board.

REPORT FROM THE UPSHUR COUNTY PARKS & RECREATION COMMITTEE 08 MARCH 2021

It was brought to our attention that the bike trail does not exit onto "well road"; it has its own exit. There is a possibility that the exit road will get new gravel in all probability next year. Inflatables for the pool must be the removable type with smaller ones for the kiddy pool.

Disc golf needs donations per hole. Donators or sponsors could spend about \$400.00 per hole for basic advertising at each hole with more spent depending on more intense advertising. This was voted on in motion and passed.

Cameras have been installed due to vandalism. Most of the vandalism was in the form of obscene painting. There have also been trucks driving all over the grounds and not staying on the road. The defective lights in the high school parking lot have been fixed.

At the trail ramps there will be signs with the rules printed on them. These bike trails will not be one way unless needed. There will be no drops until drainage problems are fixed. Mountaineer Trail Network is not completely set up yet, but they are working on it with old and new trails in the system. It could take about four years to complete the state wide system.

Ideas for the old amphitheater could mean a new skate park, modular pump tracks and upgrades to the tennis courts. This committee is looking for more ideas from the public for that place.

"Standing Feather" trail will be building some new and fixing old trails as well as drainage issues.

In other news there might be a bike club starting at the high school with that decision pending. There might be guided hikes and the biology class could hike the trails looking for flora and fauna.

The community lost Rodger Lundell last week. Among the many things that he did was to establish the Upshur County Parks & Recreation Service for Upshur County. I am going to assume that the Service was the forerunner of the Upshur County Parks & Recreation Advisory Board on which I sit.

Respectfully submitted by Dennis P. Cortes

B.3 James Powell - Loudin Insurance - Mr. Powell provided a detailed overview of the City's Travelers Property Insurance that is up for renewal and explained the major changes in this year's property and general liability coverage. Some of the City's property values were increased to more accurate levels. The coverage he explained this evening had a premium last year of \$133,066.00 with a renewal premium of \$145,944.00, or an increase of \$12,878. The increase is largely due to the City's increased overall budget; the fact that the City controls the Buckhannon Volunteer Fire Department; the increase in the auto policies; and the umbrella liability policies. Mr. Powell

explained other minor reasons for increases. Council members and a Q & A session with Mr. Powell concerning the rates and the renewal package that he was offering.

Motion to bring *F.8 Renewal Travelers Property Insurance* to the table was made by Albaugh/Rylands. Motion carried.

Amby Jenkins offered the opinion that working with the local agency has been efficient and any time that she has had to find answers to questions or concerns or when filing claims, they have always been responsive in a positive way.

Motion to approve the renewal of the Travelers Property Insurance for the 2021 - 2022 policy year was made by Albaugh/Rylands. Motion carried unanimously.

B.4 Virgil LaRosa-BUAA Vice President & Brian Huffman-BUAA Secretary - The Mayor recognized both Virgil LaRosa and Brian Huffman of the Buckhannon Upshur Airport Authority who explained the financial stress that the airport has been under due to a significant decrease in aircraft activity, due to COVID-19, which has resulted in reduced fuel sales. Even with the receipt of certain COVID related grants, this has created a loss of a little over \$40,000 for the FY year 2020 - 2021 and they have projected a little over \$39,000 deficiency for the FY 2021 - 2022 for the BUAA. Even with their current fund carryovers, the BUAA will not be able to sustain operations without additional assistance from outside entities. The BUAA is requesting the City of Buckhannon provide additional financial assistance of \$20,000 for the FY 2020 - 2021 and an additional \$20,000 for the FY 2021 - 2022. Discussion took place regarding the status of the airport; potential opportunities for growth moving forward; potential grant opportunities; and what the American Recovery Act may have available for airports in the future.

Without objection, F.9 Buckhannon-Upshur Airport Authority (BUAA) Request for Additional Funding FY 20-21 Budget \$20,000.00 & F.10 Buckhannon-Upshur Airport Authority (BUAA) Request for Additional Funding FY 21-22 Budget \$20,000.00, was moved to the table for discussion and/or vote.

Motion to approve the Buckhannon-Upshur Airport Authority (BUAA) request for additional funding for FY 20-21 Budget of \$20,000.00 and to table a decision on the Buckhannon-Upshur Airport Authority (BUAA) request for additional funding for FY 21-22 Budget of \$20,000.00 for a later time was made by Thomas/Rylands. Motion carried unanimously.

March 16, 2021

Mayor and City Council City of Buckhannon

SUBJECT: Request for additional funding

The Buckhannon-Upshur Airport Authority has operated W22, the Upshur Regional Airport, since its completion and opening in 1994. As a Sponsor of the Airport Authority, the City of Buckhannon has provided generous support over the years, contributing \$15,000 annually to the operation of the airport.

This year, events surrounding the pandemic have caused a substantial drop in air traffic, and that drop is affecting our bottom line. We currently project a loss of approximately \$44,000 as of the end of the fiscal year ending June 30, 2021, and also a loss of approximately \$40,000 for the next fiscal year ending June 30, 2022. The bulk of these losses come from reduced fuel sales.

Carryover funds are being used to maintain operations; but as those funds are depleted, our ability to operate the airport in a safe and FAA-compliant manner is put at substantial risk. Our ability to qualify for grants requiring matching funding is also diminished.

We have received \$20,000 in funding from past COVID-19 relief legislation, and are on track to receive an additional \$9,000 in funding from the legislation passed in December, 2020. The losses described above include that funding. We may qualify for additional funds from the just-passed relief funding, but it will be some time before we know how much, if any, our airport will receive.

We are asking both our major sponsors to consider increasing the annual allotment to the Airport by \$20,000 each for both of those fiscal years to cover this shortfall.

Thanks for your consideration of our request!

Philip D Laftio

B.1 Dr. Jeffery Harvey, DEL, CEM -JH Consulting, LLC - The Mayor recognized Dr. Jeffrey Harvey, DEL, CEM of JH Consulting, LLC, who provided some background on discussions that have taken place regarding a study on the delivery of emergency services throughout Upshur County, and an update of a current proposed study. In the past, we had discussed a three-phase study with the first phase being the foundation, or an assessment of services; the second phase would be creating a plan from the assessment; and the third phase would have been validation. We are now focusing on the first two phases. Mr. Harvey provided a detailed overview of how this would take place and what the end results would provide. During the first phase he recommends visiting each agency on an individual basis and determining how they feel they currently fit it, but also how they think things could improve. The latter half of phase one would be assessments.

A Q&A with Council took place regarding the project including a timeline. Dr. Harvey feels each phase will take 8 to 12 months each, for a total of two years maximum, for the entire two-phase study. Another area of concern was cost. Dr. Harvey explained the cost would be \$10,000 per phase for a total of \$20,000 for the two phases. Carrie Wallace of the Upshur County Commission was recognized who confirmed that the Commission had received the proposal from Dr. Harvey as well and they have allocated \$5,000 to Phase 1 and \$5,000 for Phase 2 for JH Consulting Proposal to provide a Study of the Delivery of Emergency Services in Upshur County.

Motion to approve \$5,000 to Phase 1 and \$5,000 for Phase 2 for JH Consulting Proposal to provide a Study of the Delivery of Emergency Services in Upshur County was made by Sanders /Thomas. Motion carried unanimously.

The Mayor thanked Dr. Harvey for the wonderful presentation and the County Commission for joining in this effort.

The Mayor also acknowledged Amanda Hayes who is covering this Council Meeting as a journalist for the last time as she has accepted a new position with West Virginia Wesleyan College. Amanda mentioned that she has enjoyed her time covering events and the various meetings over the years.

Information

As everyone is aware the American Rescue Plan will infuse states, municipalities and counties with funds.

Initial information we have received indicates that \$2.4 million is allocated to the City of Buckhannon. According to this initial information it can be used toward water, sewer and broadband projects, it also can be used toward help for non-profits, small business and households, however, later three need to show proof of the negative impact from Covid. The WV Municipal League is a great resource for WV Municipalities and stay on top of legislative issues and other matters that impact the municipalities in WV, so several cities have reached out to them to get clarification and more details on what the funds can be used for. I have also checked with some other resources and plan to attend a webcast next week to find out as much as I can. As of right now we do not have those details. We have been told that receipt of those funds will take place in two phases. One in 60 days and the second in 12 months. Expenses for those funds need completed by 2024. In the meantime, I had suggested to the Mayor that perhaps a committee should be established to begin to work and prioritize a list of possible projects the funds can be used toward. WVML is also looking into the possibility of using those funds towards matching grants. As soon we learn more, we will share this with Council.

City Council Report

3/18/21

- 1. The in-car camera project is finally complete with all cruisers in our fleet outfitted with in-car camera capabilities.
- James Fisher has passed his initial entry test for the WV State Police Academy and will begin training on Monday, March 22. He is set to graduate on Friday, May 28 at which time he will begin a twelve-week period of field training.
- 3. The police department will be hosting Megan McMackin, a WVWC Student, as part of our continuing partnership with the college and its Service Scholar Program.
- 4. Work continues on CALEA accreditation. During the last week of February, the police department underwent a web assessment. During this assessment, all of our policies and files were found to be in compliance with CALEA standards with zero compliance issues. We are now gearing up for the on-site assessment scheduled for April 5th and 6th. Because of ongoing issues with the pandemic, this portion of the assessment had to be switched to virtual. Many activities will occur during these two days including, continuing interviews between assessors and the police department staff as well as interviews between the assessors and various community partners the police department regularly interacts with. Beyond this, there will also be a public information session which is scheduled for Monday, April 5th at 7:00 p.m. at the Public Safety Complex Community and Training Room. At the end of this assessment, the assessors will make a report along with a report from the web assessors where I will then appear before the Accreditation Committee in July for the Buckhannon Police Department's Initial Accreditation.

Council Member Rylands asked about the recently passed American Rescue plan that mentions \$100 million for first responders and \$200 million for Safer Grants and how this might affect us. Discussion took place regarding past Safer Grant applications and recent CARES funding received. Mr. Rylands point was that if we have an opportunity to apply for a Safer Grant that could cover the cost of the three firemen of \$200,000 per year for three years, we should pursue it; if approved we could save the City a total of \$600,000. More discussion by Council took place.

Council Member Bucklew made a motion to pass the Budget for FY 2021 - 2022 that includes the \$200,000 for hiring the three (3) firemen, the Mayor asked for a second which was made by Council Member Reger.

Discussion took place with comments from several Council Members and Chief JB Kimble regarding the ways to fund the hiring of the three (3) firemen.

D.4 Letter from Daniel Williams RE: Trade of Land Parcels

Mayor Robbie Skinner Buckhannon City Council Daniel and Dianne Williams 41 Leonard Street; 304-472-9590

Subject: Trade of Land Parcels

March 1, 2021

Ladies and Gentlemen,

I am interested in the trade of two small parcels: one piece that we are paying taxes on, on which is a street; in exchange for an area of nearly equal size, that adjoins our property on another side.

The city's current property is located off of Beech Street, opposite and on the other side of the street from property belonging to Ed Poach. It is roughly triangular, and seems to be about 1/2 acre.

Our property, that we would wish to officially deed to the city, is also roughly triangular, less than 1/2 acre, and is a funny piece that now has a paved portion of Leonard Street.

Almost 20 years ago, Burl Smith and I discussed the then-present dirt road ("old farm road") between Lemon and Ambrose upon this particular tract, to be paved. It is the bottom access to our driveway; currently serves another household, too; is used by the general public, including a mail route; and is cleared by the city in bad weather - we appreciate that.

I think it would be advantageous to both parties, Buckhannon and the Williams', to have a clear disposition of this parcel, and suggest a "swap" with the Beech Street parcel as a means of remedy. On one of these beautiful days ahead that will soon grace us this spring, could I walk this property with a city employee, or several, for a discussion?

We welcome your time, attention, and consideration.

Cordially, and with much interest,

mail William

Daniel Williams

THIS AGREEMENT FOR THE SALE AND PURCHASE OF REAL ESTATE ("Agreement")

is by and between

The Buckhannon Lodge of the Knights of Pythias

("Seller"),

AND

The City of Buckhannon, West Virginia, a municipal corporation ("Purchaser"),

(together, the "Parties")

and is dated this $___$ day of March, 2021

WHEREAS:

- A. Seller owns a certain parcel of real estate with a commonly known address of **65 East Main Street**, Buckhannon, West Virginia, and which is identified on the real property tax records of Upshur County, West Virginia as **Corporation District**, **Map 4**, **Parcel 362**, together with all improvements thereon and appurtenances thereunto belonging, including all fixtures (the "Subject Property"), and desire to sell the same;
- B. Purchaser desires to purchase the Subject Property;
- C. The Purchaser, as a West Virginia municipality, must complete certain steps in order to legally acquire title to the Subject Property, including the adoption of a municipal ordinance. This Agreement is intended to secure to the Purchaser a reasonable opportunity to undertake its required due diligence in furtherance of the acquisition.

NOW, THEREFORE, WITNESSETH, that the Parties do hereby covenant and agree as follows:

- 1. Seller agrees to sell, and Purchaser agrees to purchase, the Subject Property for the sale price of ONE HUNDRED FORTY-FIVE THOUSAND DOLLARS (\$145,000.00), (the "Purchase Price"), as follows: a) upon execution of this Agreement, the Purchaser shall pay to the Seller the sum of One Thousand Dollars (\$1,000.00) as an earnest money deposit. This deposit shall be credited to the benefit of the Purchaser at the time of closing; and b) at Closing, Purchaser shall tender the remaining balance of One Hundred Forty-Four Thousand Dollars (\$144,000.00) to the Seller, less any deductions, charges, or debits creditable thereto, in current United States funds.
- 2. The parties covenant and agree that this Agreement vests the Purchaser with equitable title to the Subject Property, with the intent of the Seller to convey legal title thereto to the Purchaser upon full payment of the Purchase Price at closing.

- 3. This Agreement shall terminate upon the closing of the Subject Property and transfer of legal title thereof with the delivery of a Warranty Deed as provided for in Paragraph 11, below. Closing shall take place no later than May 31, 2021. Prior to closing, Purchaser shall have the right to inspect, appraise, survey, or otherwise test the Subject Property at its sole discretion, and shall have access to the Subject Property as necessary. Upon request by the Purchaser, the Seller agrees to share a copy of the latest appraisal of the Subject Property.
- 4. [Reserved]
- 5. Purchaser shall take possession of the Subject Property at the time of closing but shall have reasonable access thereto for purposes of preparing for the closing of the transaction contemplated by this Agreement.
- 6. Purchaser agrees that the Seller has not made, nor makes any representations or warranties as to the condition of the premises, the condition of the buildings, appurtenances and fixtures located thereon, and/or the location of the boundaries. Purchaser accepts the property in its "as-is" condition.
- 7. **Taxes and Assessments**: Seller shall pay all taxes, levies, or assessments which are or have been assessed or levied against the Subject Property.
- 8. **Time is of the Essence**: Time is of the essence in the performance of each and every term and provision in this Agreement by Purchaser.
- 9. Title Examination: Purchaser agrees that any title examination it desires on the Subject Property shall be undertaken at Purchaser's sole expense; Purchaser shall give notice of any title defects in writing to Seller's counsel, being Allison J. Farrell, Jenkins Fenstermaker, PLLC, 215 S. Third Street, Suite 400, Clarksburg, WV 26301, on or before May 1, 2021 and if Purchaser fails to do so then any title objections that could have been made by Purchaser will be deemed waived.
- 10. **Default**: If the Purchaser shall fail to perform any of the covenants or conditions contained in this Agreement on or before the date on which the performance is required, the Seller shall give Purchaser notice of default or performance, stating the Purchaser is allowed fourteen (14) days from the date of the Notice to cure the default or performance. In the event the default or failure of performance is not cured within the 14 day time period, this Agreement shall stand cancelled upon written notice delivered by the Seller to the Purchaser, and Seller may retain the earnest money deposit specified above as liquidated damages, with such liquidated damages being the limit of any recovery by the Seller. If the Purchaser terminates this Agreement for reasons of a structural, title, or other incurable defect of the Subject Property, Purchaser shall be entitled to a refund of its earnest money deposit upon disclosure of the particular defect which justifies its cancellation of this Agreement; otherwise, Seller may retain said earnest money deposit as liquidated damages.
- 11. Seller acknowledges that in order to close the transaction contemplated by this Agreement, the Purchaser must, through its City Council, adopt an ordinance authorizing its purchase of the Subject Property. In the event the Buckhannon City Council does not adopt the necessary ordinance then this Agreement shall be voidable by either of the Parties and have no force or effect. If this Agreement is voided due to the City Council's refusal or failure to adopt an ordinance authorizing the purchase of the Subject Property, the Seller shall keep the earnest money deposit as liquidated damages.
- 12. Upon payment of the Purchase Price and any other amounts due Seller, Seller agrees to deliver to Purchaser a General Warranty Deed to the Subject Property, free and clear of any liens or encumbrances other than taxes and assessments for the current year. Purchaser's counsel will prepare the instrument of transfer. Should Seller be unable or unwilling to deliver such an instrument, Purchaser may initiate an action in the Circuit Court of Upshur County for specific performance of its obligations under this Agreement. At closing, Seller shall be responsible for the payment of any real estate transfer tax or the costs of recording any documents releasing any liens against the Subject Property which may accrue, and the Parties agree to bear their own respective attorney's fees or associated costs. Purchaser shall be responsible for the costs associated with recordation of the deed.

F.7 Discussion/Possible action – Appoint Randall Sanders as Part-Time Information Coordinator - City Recorder Sanders recused himself from discussion on this matter. The Mayor

explained that with the departure of Callie Cronin-Sams, the City was looking to Region VII Planning and Development Council for the grant writing that Callie handled. The Mayor has been in discussion with City Recorder Sanders regarding the City's public relations and information coordination efforts. Because of Mr. Sanders' significant event planning and public relations background, it was the City's desire to appoint him as the part-time Information Coordinator for the City of Buckhannon. The Mayor and Amby have checked with the State Auditor and State Ethics Commission to be sure the City could offer employment to one of our elected officials and it was confirmed that we could. The Mayor recommends that we offer Mr. Sanders the position at an annual salary of \$25,000.

Motion to appoint Randall Sanders as Part-Time Information Coordinator was made by Bucklew/Albaugh. Motion carried unanimously with Mr. Sanders recusing himself.
