## C. Financial Report - Amby Jenkins

**C.1 September 2021** – Amby Jenkins presented the following financial report, including the summary of the rent payment schedule for the Waste Department use of the property at Mudlick.

Mrs. Jenkins reminded City Council that in December 2020, the Waste Collection Board traded a piece of property located on Upper Pecks Run to Mike Ross.

The property was appraised a few years ago for \$35,000. The City of Buckhannon was purchasing the property at 395 Mudlick Road in the amount of \$1,500,000 from Mike Ross.

The property at 395 Mudlick Road was to be shared by both the Street Department and Waste Collection Departments.

The trade to Mike Ross reduced the amount borrowed by the City of Buckhannon by \$35,000. In exchange for the \$35,000, the Waste Collection Board would receive 6 months of rent/lease.

There has not been any set amount of rent to be paid by Waste Collection Board to the City of Buckhannon.

The City currently pays:

\$9,775.00 per month to First Community Bank

\$1,000.00 approximately in utility bills and insurance

\$10,775.00 per month

Note that the Upshur County Health Department pays \$500.00 per month for use of office space at the facility

In speaking with Mr. Arnold, he estimated that the Waste Department utilizes about 30% of the facility.

As of now, the Waste Collection Board has not paid any rent to the City of Buckhannon other than the trade value of the property (\$35,000). She suggests, given the current finances of the Waste Collection Board, that this Board should pay \$2000 per month and asked Council to revise the agreement in which the \$35,000 that originally offset 6 months of use of the facility now offset 17 months of use of the facility. This would help the Waste Collection Board with their finances while waiting on a rate increase possibly taking place next year. This would make the first \$2,000 payment due August 1, 2022.

Motion Thomas/\_\_\_ to approve that the Waste Collection Board pay \$2,000.00 per month for the use of 395 Mudlick property. The property that was used toward the purchase of the Mudlick property in December 2020, valued at \$35,000, will offset the payments for 17 month from the original date of the property trade. Motion carried.

Council meeting 9-17-21

## Memorandum of Understanding

BY: Thomas J. O'Neill, City Attorney

FOR: City Council & Waste Collection Board

RE: Partial Property Exchange and Rental Credit

DATE: Effective 21 December 2020

The purpose of this Memorandum of Understanding, which is submitted to the City Council ("Council") and to the city's Waste Collection Board ("Board") for their respective adoption, is to memorialize the agreement between the two bodies relative to the application of a rent credit in favor of the Board in exchange for the use of certain Board property as partial consideration for the City of Buckhannon Building Commission's ("Commission") of real property having an address of 395 Mudlick Road, Buckhannon, West Virginia.

The City of Buckhannon Waste Collection Board transferred certain of its real property, identified on the real property records of Upshur County, West Virginia as Warren District, Map 6B, Parcels 7 and 12, to Mike Ross, Inc. in partial consideration of the aforesaid property by the City of Buckhannon Building Commission. In turn, the Commission has leased the real property located at 395 Mudlick Road to the City of Buckhannon for the use of the city's Waste Collection Board. The value of the partial consideration provided by the Board is thirty-five thousand dollars (\$35,000.00).

In exchange for the value conveyed by the Board, the City of Buckhannon agrees to grant to the board a credit in the amount of thirty-five thousand dollars (\$35,000.00) to be applied against the rent obligations of the Board for its use of the property located at 395 Mudlick Road, Buckhannon. It is generally understood that this value represents a rental value of approximately six (6) months.

This Memorandum of Understanding is adopted, respectively, by the Council of the City of Buckhannon and City of Buckhannon Waste Collection Board, to be effective 21 December 2020.

Subject: City of Buckhannon On-Call Professional Engineering Services Selection of Consulting Engineering Firm

After evaluating the technical proposals submitted for this project and interviewing with each of you and your firms, the City of Buckhannon (City) has ranked the engineering firms in the following order:

- Potesta & Associates, Inc.
- Civil & Environmental Consultants, Inc.
- 3. The Thrasher Group, Inc.

Throughout this process, it has been the City's objective to select the firm most qualified to provide the services we require for this phase of the project. Accordingly, the City will be entering into contract negotiations with Potesta & Associates, Inc. to provide On-Call Professional Engineering Services.

Please accept our most sincere thanks for the time and effort you have expended on our behalf. Perhaps we will have the opportunity to work together on another project in the near future.

If you have any questions or comments regarding the information contained in this letter, please contact me at your convenience at (304) 472-1651, extension 1006 or via email at jay.hollen@buckhannonwv.org.

Sincerely.

#### E.2 City PR: UCSWA Free Paper Shred Event

https://buckhannonwv.org/free-paper-shred-event-announced/

September 15, 2021, BUCKHANNON, WV: The Upshur County Solid Waste Authority is inviting residents to participate in a free paper-shredding event this Saturday, September 18, to dispose of those sensitive documents that have been piling up.

The event will take place at 395 Mudlick Road from 9:00 a.m. to noon (across from the Waste Transfer Station on Mudlick Road).

Belinda Lewis, Director of the Upshur County Solid Waste Authority, announced the event noting that it is for residential shredding only and that each resident is allowed to bring either two banker boxes, or two 13-gallon bags of material to be shredded. For peace of mind, you can watch it get shredded!

## F. Consent Agenda

## F.1 Approval of Minutes of 09/02/2021

Motion to approve the Minutes of 09/02/2021 was made by Randall/Lewis-Sines. Motion carried.

## G. Strategic Issues for discussion and/or vote

G.1 Waste Collection Board Budget Revision - Amby Jenkins reviewed the recommended budget revision to the Board Members.

Board Member Randall asked for a clarification regarding a potential rate increase in the future. Noting that the mandated rate increase of 3 to  $3\,\%$  would most likely be implemented by the State, we would potentially need an additional increase of up to 3% by the City. Amby explained that it was certainly possible due to the high cost of the new equipment, i.e. - a new garbage truck is approximately \$150,000.
