### Buckhannon City Police Volunteers In Police Service (VIPS) Program 2021 Annual Report

### Membership and training

- o VIPS began 2021 with fifteen active members, and had seven deactivations during the year.
- We trained two new members during the year to end 2021 with 10 active members.
- We continue to enhance our member training to align with the Commission on Accreditation for Law Enforcement Agencies (CALEA) and the Federal Emergency Management Agency's (FEMA) National Incident Management System (NIMS).
- Our training covers ethics, basic medical, basic search and rescue, basic fire suppression, traffic and crowd management, basic and advanced disaster / multi casualty incident (MCI) management, as well as other topics and skills.
- A current list of training requirements and recommendations is listed on pages 7 8.

### Attended Events

Due to the COVID-19 pandemic, 12 events where VIPS would normally assist were cancelled or
postponed. VIPS were requested for and participated in 136 public and private events in 2021 by
providing traffic control, foot patrols, and enhancing public relations between law enforcement and our
community, including 45 public health related events and 3 emergency responses. See pages 4 - 7 for a
complete list of this past year's events.

### Hours Volunteered

- In addition to assisting with the previously listed events, VIPS members also assisted the department with administrative tasks, business security checks and by performing ride along details with officers.
- VIPS volunteered over 2175 hours during 2021, allowing officers to tend to other situations during those hours and potentially saving the city over \$52,000.00 in labor. (Savings are calculated based on the current value of a volunteer hour for the state of West Virginia, which is \$23.97 according to <a href="https://www.independentsector.org">www.independentsector.org</a>. ### The President's Volunteer Service Award

The President's Volunteer Service Award (PVSA) is the premier volunteer awards program, encouraging citizens to live a life of service through presidential gratitude and national recognition.

### **About The President's Volunteer Service Award**

Now, more than ever, our country relies on volunteers investing their time and talent to resolve the most pressing issues of our times, and Americans of all ages are responding to this call to service.

The President's Volunteer Service Award recognizes, celebrates and holds up as role models Americans making a positive impact as engaged and deeply committed volunteers. The Award enables community organizations—as Certifying and Leadership Organizations—to amplify their gratitude by joining with the President of the United States to thank their most dedicated volunteers.

In 2003, the President's Council on Service and Civic Participation launched the President's Volunteer Service Award in 2003 to recognize the importance of volunteers to America's strength and national identity, and furthermore, to honor the deeply invested volunteers whose service is multiplied through the inspiration they give others.

Today, the program continues as an initiative of the Corporation for National and Community Service, managed in partnership with Points of Light, an international nonprofit with the mission to inspire, equip, and mobilize people to take action to change the world.

#### The Award

Presidential recognition sets you apart from your peers. It is a tremendous honor. Even though you may not seek recognition, your example can deliver a powerful message that encourages others to take action.

The President's Volunteer Service Award recognizes United States citizens and lawfully admitted, permanent residents of the United States who have achieved the required number of hours of service over a 12-month time period or cumulative hours over the course of a lifetime.

How it Works

Criteria

Individuals, families and groups that meet the criteria are eligible for the PVSA.

- Recipient(s) must be a United States citizen or a lawfully admitted permanent resident of the United States.
- · Awards are issued for service hours served within a 12-month time period or over the course of a lifetime.
- Awards are issued for volunteer service only; additional levels of participation with the organization (i.e., charitable support) are not a factor considered for the award.
- Court-ordered community service does not qualify for the award.
- Awards are issued by approved Certifying Organizations.

Randall Sanders - City Recorder

Without objection Mayor Skinner moved *F.4 Approval Change Order #1 Roof Replacement Project-Replacement of 1998 Building Addition Roof* to the table for discussion and/or vote. Mrs. Jenkins explained the reason for the additional roof replacement proposed for the City Hall. The estimate of the additional roof replacement is \$86,970.

Motion to approve the estimate for the additional roof replacement on the City Hall building of \$86,970 was made by Rylands/Reger. Discussion took place with Council Member Reger asking how this was missed when the earlier assessment of the roof took place. While it was not determined why this wasn't spotted earlier, he pointed out that deferred maintenance is never a wise option to take. Motion carried.

**C.3 Police Chief- Matthew Gregory -** Mayor Skinner recognized Buckhannon Police Chief Matt Gregory who provided the following report to City Council:

### City Council Report

- The police department just recently completed recertification on the various less lethal applications approved by the police department. These trainings satisfied the CALEA time-sensitive standards for the month of December.
- 2. During the week of December 6, I assisted the Charles Town police department with a mock assessment as they finalize their initial assessment efforts in preparation for their initial accreditation in 2022. As part of this process, I reviewed their PowerDMS files and offered feedback. I also met with the Charles Town police chief, the Mayor of Charles Town, a consultant hired by Charles Town, along with other police departments from Maryland and North Carolina where the mock assessment was discussed in detail.
- We continue to work with our respective conditional hires for the police department.The polygraph examinations were given on December 3. The psychological examinations are now scheduled for the first week of January.
- The police department, along with other public safety agencies in Upshur County have begun meeting to discuss emergency preparations for the WAMSB event in 2023.
   These meetings will continue on a regular basis as an action plan for this event is developed.

### UNITED STATES OF AMERICA FEDERAL ENERGY REGULATORY COMMISSION

Atlantic Coast Pipeline, LLC Eastern Gas Transmission and Storage, Inc. Docket Nos. CP15-554-009 and CP15-555-007

# NOTICE OF REVISED SCHEDULE FOR ENVIRONMENTAL REVIEW OF THE ATLANTIC COAST PIPELINE RESTORATION PROJECT AND SUPPLY HEADER PROJECT RESTORATION PROJECT

(November 19, 2021)

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the supplemental environmental impact statement (sEIS) for Atlantic Coast Pipeline, LLC's (Atlantic) Atlantic Coast Pipeline Restoration Project and Eastern Gas Transmission and Storage, Inc.'s (EGTS) Supply Header Restoration Project. The first notice of schedule, issued on May 4, 2021, identified November 19, 2021, as the final sEIS issuance date. However, we are modifying the issuance date based on comments received on the draft sEIS to include additional analyses of impacts on environmental justice communities in the sEIS that will assist the Commission in its decision-making process.

#### **Schedule for Environmental Review**

Issuance of the Notice of Availability of the final sEIS 90-day Federal Authorization Decision Deadline

December 17, 2021 March 17, 2022

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.

### **Additional Information**

In order to receive notification of the issuance of the sEIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <a href="https://www.ferc.gov/ferc-online/overview">https://www.ferc.gov/ferc-online/overview</a> to register for eSubscription.

Additional information about the Project is available from the Commission's Office of External Affairs at (866) 208-FERC or on the FERC website (<a href="www.ferc.gov">www.ferc.gov</a>). Using the "<a href="eLibrary">eLibrary</a>" link, select "General Search" from the eLibrary menu, enter the

selected date range and "Docket Number" excluding the last three digits (i.e., CP15-554; CP15-555), and follow the instructions. For assistance with access to eLibrary, the helpline can be reached at (866) 208-3676, TTY (202) 502-8659, or at <a href="FERCOnlineSupport@ferc.gov">FERCOnlineSupport@ferc.gov</a>. The eLibrary link on the FERC website also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rule makings.

- **F.2 Discussion/Possible Action Property Purchase 10 East Lincoln Street -** This item was tabled for a future meeting pending the modification of the purchase agreement.
- **F.3 Discussion/Possible Action Parade Parking Plan of Action -** Mayor Skinner stated that he has had discussions with Recorder Sanders, City Attorney O'Neill, and Police Chief Gregory regarding cars being parked along a parade route during an actual parade. After hearing some concerns from the public and in light of what has happened in other cities, (i.e. Waukesha, Wisconsin) it would be wise for us to review our no parking on a parade route during a scheduled parade policy in order to make it enforceable. City Attorney O'Neill offered a scenario in which we could amend the current parking ordinance to include no parking on any streets within city limits that is along the designated parade route 60 minutes prior to the posted start time of the parade subject to the vehicle being towed at the owner's expense.

Motion to have the City Attorney prepare a modification to the current parking ordinance to include no parking on any streets within city limits that is along the designated parade route 60 minutes prior to the posted start time of the parade subject to the vehicle being towed at the owner's expense was made by Rylands/Thomas. Motion carried.

**F.4 Approval Change Order #1 Roof Replacement Project-Replacement of 1998 Building Addition Roof -** Action taken earlier in the meeting.

#### **G.** Comments and Announcements

- **Council Member Bucklew** Mrs. Bucklew wished everyone a Merry Christmas and for all to have a safe holiday and for all of us to remember the reason for the season.
- Council Member Rylands Mr. Rylands referenced a Create Buckhannon discussion regarding the availability of apartments for those looking for housing and that there is no clearinghouse for helping people find these available properties. Also discussed were the vacant/distressed properties in the city limits and whether or not those could be turned into suitable units for housing. Bottom line there seems to be a shortage of housing and an opportunity concerning the vacant and/or distressed residences being turned in to housing units more precisely, an opportunity to turn a negative into a positive. He also wished everyone a Merry Christmas.
- **Council Member Reger** Mr. Reger commended the VIPS for their service to the community and he wished everyone a Merry Christmas.
- **Council Member Thomas** Mr. Thomas commended the Buckhannon Fire Department for a successful Christmas Parade. He mentioned that he had recently lost his dog and is now looking for a female Shih Tzu dog. Mr. Thomas also stated that even though he had said in the past that he was not going to run for reelection, after having some discussions with his family and friends, he is reconsidering and will make a decision by January 13, 2022. He went on to wish everyone a Merry Christmas.
- **Council Member Lewis-Sines** Mrs. Lewis-Sines also commented on what a wonderful event the Christmas parade was and how creative many of the participants were. She thanked all who assisted in organizing it and wished everyone a Merry Christmas and Happy New Year.
- City Recorder Sanders Mr. Sanders congratulated and thanked the members of VIPS program for their commitment, as well as Chief Gregory for the successful completion of the CALEA accreditation in 2021. He joined others by saying the Christmas Parade was a great success and he spoke about the first emergency services meeting that was held regarding the World Association of Marching Show Bands Competition in 2023. He concluded by wishing everyone Merry Christmas and a Happy New Year.
