A. Call to Order: Mayor Skinner called the meeting to order followed by a moment of silence and pledge to the flag.

Mayor Skinner opened the meeting by explaining recent comments he made in reference to replacing the SYCC Board with the soon to be appointed, Parks and Recreation Advisory Board. He explained that since a Parks and Recreation Advisory Board is being created by City Council, he saw no utility in also keeping the SYCC Board. In his thoughts, they would serve much the same purpose. Since then, through research by City Attorney O'Neill and conversations with David McCauley, it has been determined that a board was created to operate a youth center with funds bequeath through the Joyce Stockert Estate. The order at the courthouse indicates that representatives from the County, College and Board of Education are to serve as well as citizens and City representatives. The City Council, by ordinance created a Stockert Youth Board that consists of those representatives. Over the years there have been revisions to the structure of the board, which added more members to the board. He feels the Board structure is too large. There have been some resignations this year and does not think there should be any reappointments for the

two resignations and that the ordinance should be revised to reduce the number of members. Once the new SYCC multipurpose building is operational the SYCC Board should have control of the programming in the youth center, but the Parks and Recreation Board should have oversight of the new facility as with other city recreation facilities. The new facility will have a multi-purpose area that will serve the youth and community in various activities. It is expected that the Parks and Recreation Board will hire a director. There have been a few revisions to the Board members had several comments, concerns and questions:

- 1. Where did the decision come from to create a Parks & Recreation Board? Mayor Skinner explained that the Planning Commission suggested development of a Parks and Recreation Board, primarily to help in the planning of recreation facilities as well as being consistent maintenance of the facilities.
- 2. Isn't Consolidated Public Works Board supposed to be in charge of the parks? Some feel the park facilities are not getting the attention they need. There are no long term plans for the parks.
- 3. How much use of the facility will be SYCC programs have? City will have first priority. The County already has a Parks and Recreation Director, is that a duplication of service? The County was approached to possibly share resources, but the County felt their employees would not be able to manage both county and city recreation facilities.

Board Members were concerned about the wording of the ordinance that created the P&R Advisory Board. It indicates the P&R Advisory Board would control and manage the SYCC programs.

Board Members were also concerned that they had not been made aware of the thoughts to eliminate the SYCC Board.

Mayor Skinner will ask Attorney O'Neill to look at the ordinance wording to clarify facility management.

Mayor clarified questions about priority of use of facility. According to the ordinance, the city will have first use of the new facility. P&R would not have control of the old SYCC building.

There was a lengthy discussion of how scheduling and coordination of the new facility would work and concerns that there could be conflicts.

Mrs. Jenkins reported that she is presenting a budget revision before City Council this evening. The SYCC budget will be over in salary expenses. Items not expensed and that will also be adjusted are "work study and fundraisers".

Board Member Shobe asked if any of the excess receipts coming in this fiscal year could be placed in the capital campaign. Mrs. Jenkins will look at the actual balance on hand at July 1st.

Motion Shobe/Nestor to accept the financial report as submitted. Motion carried.

D. Department Report-Debora Brockleman:

- Our "new" bus came in handy with the WVSF this year as they use our driver(s) to shuttle special guest visitors around our city and county.
- The after school program will ended on May 27 and Camp will begin on June 6 and run through Aug 5, 2022.
- Our 2022 Service to Youth Champion was Christina Romine. She was surprised and very appreciative
- On June 11 we will be hosting the Buckhannonacon at SYCC

Building use (long term)

We currently have the BOE using space on the third floor at SYCC. In 2019 we had an agreement for one classroom for the then PALS program. In 2021 they added the Alternative School and a re-organized PALS program. I have talked with the Superintendent, Dr. Sara Stankus and she agrees they need to do an agreement every year they continue to use our space. I have attached a copy of the 2019 agreement and a rough draft MOU for this upcoming school year which is also attached for your input. We also have the Family Resource Network using office space in our building since the beginning of SYC. There is not a year to year agreement with FRN.

The Board also discussed a draft agreement (see G.2 below).

The Board discussed the recent Strawberry Festival. Several positive comments were made on the layout of the vendors and carnival this year. Extra tables and lighting would benefit the Jawbone Park.

WHEREAS, the Council of the City of Buckhannon through multiple ordinances enacted over the

years, and through deed of purchase and dedication, has acquired a number of properties throughout the city for the purposes of establishing and maintaining city parks, or other facilities in addition to parks who are intended for the recreational use of residents of and visitors to the City of Buckhannon; and,

WHEREAS, the City Council now deems it to be reasonable, necessary and appropriate to establish an advisory board to assist the administration of the city in the management of the said city parkland and recreational properties; and,

WHEREAS, the City Council intends that the board established by this Ordinance shall only be an advisory board, without the powers or authority granted to Parks and Recreation Commissions pursuant to Chapter 8, Article 21 of the Code of West Virginia, 1931, as amended, which powers and authority the City Council expressly retains to itself.

NOW, THEREFORE, BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF BUCKHANNON, AS FOLLOWS:

ARTICLE I - COMPOSITION OF THE BUCKHANNON PARKS AND RECREATION ADVISORY BOARD. COMPENSATION. CONDUCT OF MEETINGS:

(A) A Board of seven (7) members, appointed by the Council of the City of Buckhannon, is established to advise the City Council and the City's administrative staff in its management and operation of the City's park and recreation properties. Each Board member shall serve at the will and pleasure of the Council. The Council may fill vacancies on the Board as frequently as they may arise; however, the term of each Board member shall expire at 11:59 p.m. each June 30, or thereafter upon appointment of his or her successor. Each seat on the Board shall be subject to reappointment by the Council on or after July 1, annually.

(B) Board members are not required to be residents of the City of Buckhannon, but shall be residents of Upshur County, West Virginia.

(C) Board members will not be monetarily compensated for their service on the Board; however, they shall be entitled to reimbursement for their expenses as are approved in advance by the Board.

(D) The Board shall conduct itself as a public agency, observing the requirements of open meetings laws, ethics acts, and other directives the City of Buckhannon is required to observe. The Board may establish its own rules of procedure, including setting the frequency of its meetings (which frequency shall be no less than annually), provided that those rules are written and are ratified by the City Council. The Board may establish its own subcommittees as it deems necessary and proper.

ARTICLE II - DUTIES OF THE BOARD:

(A) The Board shall recommend policies with respect to the use of the City's parks and the Stockert Youth and Community Center, including policies regarding usage fees, priorities of use, the establishment of form agreements, and operating guidelines; *Provided*, that the City of Buckhannon will have first priority in use of any of the aforesaid parks or of the Stockert Youth and Community Center, and will be exempt from the payment of any facility rental fees. Policies recommended by the Board shall be subject to the approval or ratification of the City Council, which approval or ratification may be by motion and recorded in the minutes of the Council.

(B) The Board may recommend to the City Council such matters, such as the hiring of full- and parttime staff and capital improvements, that it may deem advisable. The City Council reserves to itself the power to approve or disapprove such recommendations.

(C) The City of Buckhannon, acting through its City Council, shall approve or disapprove all expenditures for its parks and for the Stockert Youth and Community Center, and all revenue generated by the Board's operation of the said parks or the said Stockert Youth and Community Center shall be remitted to the City of Buckhannon.

(D) The Board may negotiate agreements with donors, which agreements may include the right of a donor to direct the naming of facilities within the aforesaid properties pursuant to the terms thereof; however, any such donor agreement is subject to the final approval or ratification of the City Council.

(E) The Board may not under any condition enjoy a separate corporate entity apart from the City of Buckhannon; it may not take title to real or personal property in its name, nor in the name of the City; it may not collect revenue separately from the City; it may not hire, fire, promote, or discipline any employee; nor may it enjoy management or control of any City property separately from the City of Buckhannon acting through its City Council.

ARTICLE III – CLARIFICATION OF MUNICIPAL INTENT

(A) The City Council, for purposes of clarity, establishes its intent that the Board established herein is not a "Board of Park and Recreation Commissioners" as that term is used in Chapter 8, Article 21 of the Code of West Virginia, 1931, as amended.

(B) The City Council reserves to itself all powers enumerated to boards of park and recreation commissioners in Chapter 8, Article 21 of the Code of West Virginia, 1931, as amended, and states – for purposes of clarity – that the Board established in this ordinance is an advisory board only.

<u>ARTICLE IV - EFFECTIVE DATE</u>: This Ordinance shall be deemed effective thirty (30) days following the second (2nd) reading, passage and adoption by the Council of the City of Buckhannon, i.e., June 16, 2022.

RE: Stockert Youth & Community Center Capital Campaign - continuing gifts

Dear Council members:

I am very pleased to continue my support of our new multi-purpose building to compliment our Stockert Youth & Community Center. As some of you know, I began my monthly contributions to this project in December of 2016. Over the past five and a half years, I've contributed monthly through my utility bill, but additionally, most months, have also delivered an additional One Hundred Dollars (\$100.00) per month as seed money for our project.

In 2016, my intention was to contribute over time the sum of Five Thousand Dollars (\$5,000.00) to our project recognizing each of my five (5) grandchildren. Well, I've hit that mark now, but I have two newer grandchildren, now aged three (3) and soon five (5). I intend to honor my Sawyer Tripp and Keslyn Jade just as I have honored Colten, Casen, Gianna, Braylee, and Anthony aka A-Dave. This project remains a critical one that will benefit all of the children of our B-U community. I'm aware that some people have given more than I have to date, but frankly, I'm not as financially affluent as other bigger donors, or I would do more. My contributions haven't constituted a mere pledge, but it's been actual money in the bank! Anything I can do to help us get to breaking ground, just say the word. Here's to realizing our amazing new building soon.

Very truly yours,

AND David W. McCauley

F. Consent Agenda:

F.1 Approval of Minutes: 05/05/22

Motion Samples/Nestor to approve the consent agenda. Motion carried.

G. Strategic Issues for Discussion and Vote:

G.1 Continued Discussion Multi-Purpose Building:

Mayor Skinner reminded the Board that they had asked for the building conception sign that was placed in front of the current SYCC building to be moved and replaced with a picture of the new concept. Director Brockleman will work on this.

Michael Mills will attend City Council meeting on June 16th with a presentation of the new concept.

G.2 Discussion on Draft of Agreement Form for Outside Agencies Use of SYCC Space:

Director Brockleman also explained that there have been a few issues with outside organizations that use the SYCC building. Mrs. Brockleman could not find any written agreements in the past. The groups are welcome to use the facility, but there is some lack of expectations with scheduling and helping with supplies would be appreciated.

Director Brockleman has talked with BOE Superintendent-Stankus, who agrees that agreements should be executed each year.

Director Brockleman has drafted an agreement which she plans to discuss with the City Attorney for his review.

The Board Members will review the draft. This agreement will be placed on the next agenda for action.
