C.3 West Virginia Wesleyan College Student Brayton Boggs: "What to do with the Cats" Presentation – Mayor Skinner recognized Dr. Coty Martin of WVWC to provide an overview of the West Virginia Wesleyan College: "What to do with the Cats" Presentation. Dr. Martin explained that he teaches both Science and Public Service at WVWC and this semester the Honors Only students of the Public Service Course were assigned the task of how to deal with the feral cats problem in Buckhannon. For the entire semester, the students researched the issue by exploring the specific local problems, current laws/ordinances, hosting various speakers with knowledge of the subject, and researching other communities (around the world) with similar problems. Dr. Martin then recognized Brayton Boggs, Jack Gutekunst, Emma Witt, Eri Hayes, Abigail Hannon, Katherine Wilkerson, Kelsey Allen, Caitlynn Sherman, Ruth Haynes, Molly Clever, Lori Fisher, and Stephanie Arguello, who all participated in presenting and explaining the following PowerPoint presentation regarding feral cats in the Buckhannon area.

Enforcing Current Laws/Ordinances

Ordinance No. 300 Article XV

"ARTICLE XV - FEEDING OF UNDOMESTICATED OR STRAY ANIMALS"

This ordinance currently exists and shall remain in order to keep our community safe and stop the expansion of animals congregating at large. It is important that we enforce this ordinance so others don't follow in the footsteps.

IF ORDINANCE IS NOT FOLLOWED:

1st offense: WARNING/CITATION

2nd offense: FINE

3rd offense: LARGER FINE

4th offense: JAIL TIME

Ordinances and Laws- Registration and Enforcement

Ordinance No. 300 - Article XI

"ARTICLE XI - OPTIONAL REGISTRATION OF CATS UNDER MUNICIPAL ORDINANCE"

We propose that instead of it being optional to register cats, the city of Buckhannon makes it mandatory to register all cats under state law.

• Enforcement of Ordinance- Registration of a cat gives consequences to those that abandon cats and allow law enforcement to fine those that are involved. This allows Police to track those abandoning cats and make citizens think twice as their name is attached to the crime.

City Cooperation And Following The Ordinance

Ordinance No. 300 Article XIX- "City Cooperation With State And/Or County Authorities Respecting The Trapping, Capturing, Keeping, Placing For Adoption, Euthanizing, Relocating And/Or Disposing of Dogs and Cats Running At Large, Undomesticated, Wild or Stray Animals."

- This part of the Ordinance says that the city would cooperate with other authorities in the event that animals are running at large.
- Section 4 of the ordinance says that when animals are running at large the owners will try to be identified and if they can't the animal should be euthanized. A further deterrence for dumping cats into colonies.

Why Trap, Neuter, Vaccinate, and Relea: How to Implement TNVR

- A stressed female cat can have up to three litters per year
- Feral cats typically live in colonies from six to twenty cats
- Removing only part of the colony creates larger issues of repopulation and other colonies moving into the previous colony's territory
- To stop cat fighting, reproduction, and the smell of a colony the best solution is
 - o Trap
 - Spay//neuter
 - Release the cats back to the location

Prior to Mr. Campbell addressing Council, the Mayor provided some information including the fact that JCFilms has filmed a few projects in Buckhannon including the popular Hank's Christmas Wish that was recently premiered at a red-carpet event at WVWC and is available on several streaming services. They plan to begin shooting Hank's Christmas Wish 2 this coming week in Buckhannon. The Revenue Review Committee has met and has a recommendation regarding the funding request, but first, Mayor Skinner introduced Jason Campbell to address Council. Mr. Campbell provided background on the company, JCFilms, and its commitment to producing Christian based films while also showing West Virginia in a positive light. He noted that they love working in Buckhannon using the beauty of the City as a backdrop for some of their production costs noting that JCFilms is a 501c3 organization. Mayor Skinner announced that the Revenue Review Committee has recommended that the City provides financial support in the amount of \$2,500 to the JCFilms for the filming of Hank's Christmas Wish 2. A Q&A followed.

The Revenue Review Committee met 12/5/23 at 9 am. The following committee members were in attendance: Robert Skinner, Randall Sanders, David Thomas, Jack Reger, Amberle Jenkins and Barbara Hinkle. The purpose of the committee meeting was to consider the request from JC Films for funding assistance to produce a second movie in Buckhannon as a sequel to the movie that was filmed last year in Buckhannon.

The request asked for \$5,000 to \$10,000. After some discussion the committee saw that the first film showcased Buckhannon, WV visually in many scenes in a positive manner. The committee considered this to a promotional video for the area and recommended a contribution of \$2500 to City Council for this organization.

G.7 Recommendation from the Revenue Review Committee regarding the funding request from JCFilms – Mayor Skinner presented this agenda item to City Council and asked if there was a motion to approve:

G.5 Approval Modification to Clarify COB Employee Handbook "Return to Work" Section - City Attorney Tom O'Neill provided an overview of the proposed modification that is meant to clarify the applicability of the Return to Work policy for the employees of the City.

(Proposed) revised "Return to Work" section of Employee Handbook:

Return to Work Program

The City of Buckhannon is committed to providing a safe and healthy workplace for our employees. Preventing on-the-job injuries and illnesses is one of our City's primary objectives. In furtherance of that commitment, the City of Buckhannon has established a "Return to Work" Program (also known as "Light Duty") to accommodate employees who become ill or injured as a result of workplace activity.

The "Return to Work" or "Light Duty" program is not available for employees who become ill or injured as a result of non-work or off-time activities or circumstances. Employees who suffer illness or injury offthe-job must use their Paid Time Off leave for recovery time. Employees who do not have sufficient sick leave or vacation time to adequately recover from such a non-workplace injury or illness may receive donated time from other employees, or must otherwise take an uncompensated leave of absence during their recovery.

If an employee is injured in the performance of their work and requires accommodation, the appropriate city department supervisor will seek to return the employee to some modified or alternative work as soon after the injury as possible. This will be accomplished by temporarily modifying the employee's preinjury position or providing the employee with an alternative position. The employee's medical condition together with any limitations or restrictions established by the employee's attending physician will be considered as a priority when identifying the modified or alternative position.

Department supervisors are not authorized to grant, and employees are not authorized to accept, "Light Duty" or other modification of the employee's responsibilities due to illness or injury without express written pre-approval of the Director of Finance and Administration.

<u>Note</u>: The availability of the Return to Work or "Light Duty" program to an employee is at the discretion of the employee's department supervisor and the subject to the express pre-approval of the Director of Administration and Finance. The program may not be applicable to all departments as it relates to specific job duties and performance requirements. Employees shall be notified by their department supervisor if they are ineligible to return to work in the form of light duty.

This program is intended to provide City employees with an opportunity to continue as valuable members of our team while recovering from a workplace injury or illness. We want to minimize any adverse effects of an on-the-job injury or illness to any of our employees and ultimately return the injured employee to their original pre-injury position. This program is intended to benefit a workplace-injured employee by promoting a speedy recovery, while maintaining their work patterns and income. This program applies to all employees of the City of Buckhannon and its Utility Boards

In the event of a work-related injury, the employee shall:

G.6 Approval Letter of Request from UCBOE for assistance in the Demolition Project at 21 E Victoria Street - City Attorney Tom O'Neill provided an overview of the Letter of Request from the Upshur County Schools for assistance in the demolition project at 21 E. Victoria Street. Mr. Rylands asked for clarification on who was making the request since the local BOE had been relieved of its ability to conduct business by the West Virginia Department of Education (WVDE). Mr. O'Neill clarified that the request had been approved by the WVDE. Mr. Rylands then pointed out that the WVDE was the same group that put the WAMSB 2023 event in financial jeopardy with their decisions concerning the event. Mr. McCauley added that while we have had a wonderful working relationships with previous local BOE's and Superintendents, it has recently been strained by certain actions of the WVDE and before we can continue with a working relationship we need to have some assurances that we can work together for the positive benefit of all concerned. Recorder Sanders, who was also the chairman (and President) of the 501c3 organization that produced the World Association of Marching Show Bands 2023 World Championships, explained how the decisions of the WVDE, which was to not honor the agreements that were in place between the UCBOE and WAMSB 2023, financially affected the WAMSB event. Mayor Skinner stressed that while he recognizes Councils frustration with the current situation, we must work towards a resolution as the Upshur County school system needs to return to its greatness for the community to remain strong. He suggested that we not take action on the matter until we explored having a meeting with the UCBOE and the WVDE to discuss these frustrations.

December 5, 2023

Dear Mayor Skinner and Members of the City Council,

As you are aware Upshur County Schools has undergone many changes over the last several months. One thing that has not changed is the desire to improve our system for the betterment of the education of students. We are always looking for ways that we can make improvement.

In the spring of 2023, the City of Buckhannon was instrumental in assisting Upshur County Schools with the demolition of two dilapidated properties on Victoria Street to allow for the future expansion of greenspace, parking, and playground space. These razing of these two houses made for a better appearance of the school property. It also enhanced the area for neighbors to our school property.

Upshur County Schools is asking again for assistance from the City of Buckhannon to raze the final house on Victoria Street that the Board of Education owns to complete the first phase of this expansion project. This house is located at 21 E. Victoria Street. It is understood that Upshur County Schools will be responsible for all associated costs, including tipping and disposal fees. We will inspect the residence for hazardous materials prior to demolition. Razing of this house has been approved by the West Virginia Department of Education Facilities Division.

The Upshur County Board of Education and the City of Buckhannon have had a longstanding positive relationship, and we wish to continue that outstanding partnership for years to come.

Respectfully, moth

Timothy & Derico Facilities Director Upshur County Schools

Motion to table the approval of the letter of request from UCBOE for assistance in the demolition project at 21 E Victoria Street until we can have a meeting with representatives of the UCBOE and the WVDE to discuss City Council concerns was made by McCauley/Thomas. Motion carried.

She also asked that we remember Edward Brandt who was a member of the Buckhannon VIPS program as he recently passed away. She wished everyone a Merry Christmas.

H.2 David McCauley: Mr. McCauley noted that he didn't want his remarks about the UCBOE and WVDE to be taken incorrectly as he continues to be very supportive of the county school children. He commented that the Dickens event was very successful. He complimented the Street Department for removing the garage next to SYCC. He concluded by reminding everyone that donations can still be made to the SYCC Capital Campaign and the Colonial Arts Center.

H.3 Jack Reger: Mr. Reger commended the students from WVWC on their presentation on the feral cats and the Buckhannon-Upshur Counselors on their presentation regarding their services. He agrees with the Mayor in that we all need to work together on the Upshur County School system problems to get it turned around. He is looking forward to JCFilms coming back to Buckhannon and the positive image that there are providing of West Virginia through their films.
