A. Call to Order: The meeting was called to order by Mayor Skinner, followed by a moment of silence and pledge to the flag.

B. Recognized Guests:

B.1 By Sign-In Prior to the Meeting: Mayor Skinner noted that there were no scheduled guests to be recognized but that Risë Hanifan had signed in, prior to the meeting, requesting to be recognized. Risë Hanifan addressed City Council on the current educational system in Upshur County citing that, as a citizen and parent, she is discouraged with the opportunities that are being offered through the system. She noted that she is very supportive of the programming being offered at the Stockert Youth & Community Center (SYCC), specifically the afterschool and tutoring offerings. She also noted that she has followed the fundraising and financing efforts for the new SYCC building and she understood that certain challenges have arisen with the financing of the proposed building. She presented the idea that if the current building project could not be achieved, maybe we should consider a different style of building that would allow the SYCC programming to incorporate the STEM (now referred to as STEAM) programming. Discussion with City Council members took place. During the discussion it was noted by Recorder Sanders that the City of Buckhannon is still waiting on a Letter of Condition from the USDA before the current SYCC project could be put out to bid. Council member Jack Reger noted that on December 19, 2023 the West Virginia Department of Education will be presenting the state's report of the Upshur County Schools, and he encouraged that the public attend. Council member McCauley suggested that Risë Hanifan be invited to appear at the next SYCC Board meeting to present these ideas.

Mayor Skinner recognized others who were present and asked if any would like to address council. None needed to do so.

Motion to bring F.2 Recommendation from the Revenue Review Committee Regarding the Funding Request from BURMA & The Baxa Inn to the table for Discussion and/or Vote was made by Thomas/Reger. Motion carried.

Mayor Skinner provided an overview of the issue noting that the Review and Review Committee recommended that we provide funding in the amount of \$1,500 to BURMA & The Baxa Inn for the upcoming "Christmas Visits to Fairyland" event being held December 9, 2023.

The Revenue Review Committee met on November 9, 2023 at 9:00 a.m.

The following Committee Members in attendance: Mayor Robert Skinner III, Director of Finance and Administration Amberle Jenkins, Council Member David Thomas, Council Member Jack Reger, Scott Randall and Office Manager Barbara Hinkle.

BURMA and The Baxa Inn have been doing a Christmas event since 2019 for families in Upshur and surrounding counties. It has grown beyond our expectations, last year we had over 2000 in attendance.

We wanted to provide something for the children, so they could all have a lasting memory for Christmas. Christmas visit to Fairyland will have families walking through various fairytales, Snow White and the 7 Dwarfs, Little Red Riding Hood, and Sleeping Beauty, to name a few. As they go through they will receive sweet treats throughout as well as cookies and hot chocolate and get to Santa Claus and visit local vendors.

We operate on a 0 base budget plan. We know we have funding prior to purchases. Last Years expenditures ran over \$10,000.00 and all costs were covered including \$700.00 from the City of Buckhannon, which was spent inclusively for candy for the children.

Fall is in the air and Christmas is just around the corner, the Buckhannon Upshur Retail Merchants Association along with The Baxa Inn are already working on this year's Christmas Event for the children. The event, Christmas Visit to Fairyland, will be held on Saturday December 9th from 6pm to 8 pm at the Baxa Inn 21 North Kanawha Street in Buckhannon.

We will have food vendors, arts and crafts, and other activities for the children to participate in. We are asking the City of Buckhannon for a \$1,200.00 donation to provide only candy and favors for the children. Last year we planned on 300 and had over 2000 in attendance. To give each child 5 pieces of penny candy would be over \$1,000.00. We hope to add a small gift to each bag. BURMA and The Baxa Inn will cover all expenses for labor, costumes, trees, tree decorations, refreshments, and props.

Prices have increased substantially and now we hope you will not only support our event but attend and see what joy it brings to the families in Upshur County and the surrounding areas. Thank you for your consideration.

Jerry Henderson

President, BURMA

Jerry Denderson

Committee members agreed that the event last year was a success. Mrs. Henderson reported on the event as required in the process. More people attended that event than was expected.

Committee Member Jenkins remarked that it would be beneficial if there is a way to track how and if these small one-time events impact the economy. Mayor Skinner reported that the UCDA is working to develop a study that would measure the impact of events on the community.

Motion Thomas/Randall to recommend to the City Council on November 16, 2023 to approve a contribution of \$1,500.00 to BURMA for the "Christmas Visit to Fairyland" event. Motion carried.

Motion to accept the Review and Review Committee's recommendation and approve funding in the amount of \$1,500 to BURMA & The Baxa Inn for the upcoming "Christmas Visits to Fairyland" event was made by Thomas/Rylands. Motion carried.

The Public Comment portion of the meeting was closed at 7:38 p.m.

Call from the WV State Auditors Office to let me know the 6-30-22 audit of the city will include the Charles Gibson Library, but the 6-30-23 audit will be with Upshur County Public Library. I was surprised by this, and proceeded to explain the relationship and history between the Charles Gibson Library and the City of Buckhannon. I communicated with both the State Auditor's Office and the Library Commission. It seems that their may have been some lack of communication on audits and how the City of Buckhannon are associated with the CG library. The Auditors Office wants to know if the City of Buckhannon plan to continue to put the Charles Gibson Library financials in the City of Buckhannon's audit.

Annual audit for year ending 6/30/22, field audit portion starts Nov 27th.

More Legislative action needs taken to make County Assessors and their software vendor recognize the benefit to this strategy. Tax liens have proven to be challenging. The Upshur County Assessor will not place the liens on the property taxes because Software Solutions, the company that controls the tax software will not recognize this as a tax lien. Until they are directed to do so in writing by state law or State Auditor the liens will not be recognized or placed on the property.

SUCCESSES – In the space below, please provide a brief narrative which highlights successes realized through the implementation of this initiative and any metrics used to track performance. Council authorized hiring a part time police officer in May 2017. This was an asset until June 2020. The certified part time officer could no longer serve in that capacity. The process to advertise, hire, train and certify a full-time police officer is lengthy. The process to recruit then train and certify an officer takes six to 12 months. A part time police officer can fill the void and continue police services without putting more burden on existing staff. However, filling that position is a challenge at this time. In 2022 Buckhannon shifted the funds that would have been allocated toward the part time position to the Chief of Police for taking on the added responsibility to handle CALEA certification management. Buckhannon may still utilize the part time certified officer position in the future as it is a valuable tool. LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities. It is difficult to recruit a certified part time police officer.	SUCCESSES – In the space below, please provide a brief narrative which highlights successes realized through the implementation of this initiative and any metrics used to track performance. In the 2020 report we noted that he first online auction was held in 2019. All of our departments compiled a list of surplus equipment to be auctioned. We drafted an RFP to select an auctioneer. JJ Kane Auctioneers was awarded our auction service. This proved very successful. It exposed our items to a much larger audience. We received over \$61,000 for all of our departments, in combined revenue. We did not hold an auction in 2020 or 2021. We will hold another auction when we have an inventory of items that need disposed. In 2022 the City auctioned a problem property (Sedgwick St \$45,500) that was obtained in a tax sale. A second property (Upper Drive) was obtained but did not receive a minimum bid at auction. The house, which was in very poor condition, was demoed by the city. We have not held an auction since 2022 as of the date of this report (November 2023). LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities. It was beneficial to solicit an auctioneer. Each auctioneer charge differently for their services.

- . \$100,000 will be contributed to the Stormwater Department of the Sanitary Board

Stockert Youth Center:

- Annual maintenance of Software obtained to help track various youth activities \$3,900 annual
- \$20,000 budgeted to upgrade kitchen in the youth center.

Colonial Arts Center

This facility is a former theatre that was in a dilapidated condition. Council voted to obtain the property
in 2016. Since then, some grants were obtained and some donations were received and fundraising
activities conducted since then. The building was renovated and is now in full use as an arts center owned
and operated by the City of Buckhannon.
