### I. Adjournment

Posted 09/18/2023

**A. Call to Order:** The meeting was called to order by Mayor Skinner, followed by a moment of silence and pledge to the flag.

### **B. Recognized Guests:**

**B.1 Scott Allan, One-Fiber Municipal Fiber Presentation** – Mayor Skinner recognized Scott Allan of One-Fiber - Municipal Fiber. Mr. Allan provided an overview of his company and the municipal fiber service (high speed internet) that it could offer to Buckhannon by forming a partnership with the City. It would involve the City creating its own fiber service, which would then sell the service to subscribers. Initial investment of approximately 5.2 million dollars would be required with the payback coming from subscriber fees. No action was taken but Mr. Allan was invited to set a meeting with council sometime in the future to further discuss the opportunity.

**B.2 Thomas Aman, Bond Counsel, SYCC Proposed Project Update & Financing** - Mayor Skinner introduced Thomas Aman who provided an overview on the SYCC Proposed Project Update & Financing.

Without objection *F.1 Discussion/Possible Action Advertise Stockert Youth & Community Center Bid for Construction Project* was moved to the table for discussion and/or vote. Mr. Aman provided a complete update on the administrative hurdles that have cleared (the due diligence) before the USDA financing could move forward. A newer USDA requirement in West Virginia is for the City to acquire interim financing of the project, which is a construction loan that will remain in place until the project is complete, at which time the USDA financing will pay off the interim financing. We are still awaiting the decision from the national USDA agency as to whether or not we will be approved. If approved, we will have an interest rate locked in from the USDA and will receive a letter of condition, which will allow the City to put the project out to bid. What is advised for us now is to work with the architect to find ways to decrease the potential cost of the project (including alternates) and look for the interim financing from local financial institutions.

Motion to schedule a special City Council meeting to include the USDA, Bond Council, Mills Group, Stockert Youth and Community Center Board of Directors and the Municipal Building Commission on Monday, October 2, 2023 was made by McCauley/Rylands. Motion carried.

Attention: Amberly Jenkins –City of Buckhannon, WV Facade Program

Location: 10 North Spring St, Buckhannon, WV 26201

#### Amberly,

We have been instructed to write you in concern of our facade grant we received for 10 north spring St, Buckhannon, WV 26201.

Due to the following issues we had to delay our window and metal installation.

- We had an upstairs apartment flood due to one of our tenants. This was the apartment where
  we needed to do a lot of the work from inside the apartment to get to the outside of the
  building. It took us over a month to get this completed.
- Our windows were reordered twice due to receiving the wrong type of window, and each time was delayed due to them being a special-order window.

\*We are asking that this grant be extended. We are ready to complete this and the front of the building as we plan on covering it in metal before winter. Once the windows are complete and the metal is installed, we plan on painting the side of the building in the alley, and then add a painting with lighting to this alley to lighten it up for the community. Once that is completed, we plan to work on the back side of the building facing the bank. This will complete this building inside and out. We are asking for permission to complete the original scope of work, with the city of Buckhannon, WV facade grant program.

Please advise us on how to proceed.

Respectfully,

Travis Foster

- The police department is once again hosting Megan McMackin as a WVWC Service Scholar. Megan is now a senior, having been with the police department since she was a freshman. We are also hosting Dalton Auvil, who is a freshman WVWC Service Scholar.
- 2. The police department is hosting Connor Gottholm as an intern. Connor is a senior criminal justice major at WVWC.
- It was recently discovered that Chesley Mearns, who was the Buckhannon Chief of Police in 1921 was shot in the line of duty on August 9, 1921 and died four days later of his wounds on August 13, 1921. With the help of our WVWC students, we are actively researching this incident.
- 4. The police department has been meeting with the Buckhannon Fire Department and Battalion 1 Consultants in reference to a Regional mental health and wellness program and fully supports the implementation of this program into our agencies' operations.
