WVSF

The West Virginia Strawberry Festival Association annually requests additional support in the form of services, including those assisted, facilitated and enforced by city crews such as: street closures, fire/police/medical coverage, trash, sewer, street, water and other departments assistance as necessary. Below are requests for 2024 events.

Please note, the WVSF Board of Directors works closely with health officials and monitors state guidelines to ensure a successful festival while maintaining the priority of public health and safety. Therefore, the following requests are subject to change. Changes to this submission will be submitted in writing to the City of Buckhannon and communicated to specific department/personnel as necessary.

The West Virginia Strawberry Festival Association, Inc. would like to make the following requests for the use of city owned property and services during the 82<sup>nd</sup> annual event on May 11-19, 2024.

- Jawbone Park area for vendors/carnival and additional space surrounding Jawbone Park from May 11-19, 2024.
- Permission to place licensed vendors and marketing booths in various approved locations throughout city owned property during our events. (Main, Spring, Madison, etc.)
- Permission to use Main Street from City Hall to the Courthouse for the purpose of entertainment on Thursday (approx 17:00-23:00 for parade and street entertainment), Friday (approx 17:00-00:00 for parade and entertainment), and Saturday (10:00-00:00 for parade and entertainment/concert) and Sunday (11:00-18:00 for a car show and entertainment).
- Closure of North Spring Street at the East Main Street intersection and extending to city lot located on N Spring St from approx 07:00 on Friday, May 17-00:00 Sunday, May 19 for the purpose of safely securing and production with an entertainment stage.

- Use of the Buckhannon River ramp area for the purpose of a canoe race, May 19, 2024. (Sunday)
- Use of city water and dumpsters in the Food Vendor Lot/area and the Latham House area (parking lot), along with the assistance of necessary crews to assist with setup of vendors.
- Complimentary sanitary sewage dumping for visiting buses.
- Pre-event inspection and repair of any problem-areas on the parade route.

- Placement of 'Road Closed' hard and soft barricades, along with all available personnel, according to OEM IAP for street closures during the festival.
- Participation of the Buckhannon City Police Dept./VIPS, Fire, water, Streets, waste depts during events. \*We will work with the Chief/department heads on special arrangements for the various events.

- Additional assistance as required by public works, public safety, and other city resources as needed to produce a safe event allowing our presentations to highlight the best of the area.
- Assistance and permission to block the entrance to N Spring St from E Main St at sidewalk with a professionally set stage from approximately 07:00 May 17 to approximately midnight May 19. (Early setup due to crowd safety and maneuverability)

The West Virginia Strawberry Festival also requests any assistance available or references for storage of stages and floats. We have invested countless hours and money into 2 floats and 2 stages, along with multiple different coverings. All of which have failed to stay intact and left our items exposed to the weather, thus ruining our investments and resulting in starting the process over again with already strained volunteers and finances.

In addition to these above requests, we appreciate the normal customary activities that the city performs during the week of festival. The Board of Directors would like to thank the City of Buckhannon for their contributions, and recognize the significance of such, given to the festival and its board each year. Your partnership with the festival is invaluable and proves our unwavering commitment to ensuring mutual success.

Thank you.

SUBJECT:

Proposed Street Closures for BBQ Bash

We respectfully request the following street closures during the BBQ Bash:

- <u>Thursday, June 13<sup>th</sup> 9:00 AM Saturday evening approx. 9:00 PM</u>

  ~ Spring Street from intersection at post office to Madison Street (leaving traffic access to the post office)
  - ~ Madison Street from Rt. 20 (Wendy's) to South Florida intersection (by Sweet A Licious)

#### \*\* Reason for closures:

- ood vendors will begin arriving by 9:00 AM to set up in Jawbone Park with various trailers, etc. needing to maneuver in the area.
- $\sim\,$  BBQ Teams also begin arriving to set-up in the old Chase Bank lot, UCDA lot (and Travis Foster lot on Main/Spring) after noon thru the afternoon & evening
- Due to limited space/power, we may need to locate 2-3 BBQ teams and/or vendors on one side of Madison or Spring Street (similar to carnival set-up)

NOTE: We did not close Madison from Rt. 20 to Spring or Spring from the post office to Madison this year hoping to keep traffic flowing, however, local vehicles attempting to go thru that area caused multiple back-ups for the locals and those moving large rigs into place.

#### Saturday, June 15th -- 11:00 AM -

- Same closures as above, but addition of South Florida from corner of South Florida and
- Madison (Sweet-A-Licious corner) to corner by fire dept. entrance ~ Main Street from Courthouse to City Hall from 9:00 AM 4:30 PM

#### \*\* Reason for closures:

- South Florida will be utilized as pedestrian crossing for BBQ teams taking entries to the
- Safety Complex on Saturday

  Main Street will be used (Saturday) for a Cruise-In

If you have any questions, please give me a call at 304 / 439-3033. Thanks in advance.

# **C.** Department Report:

#### **C.1 Bradley Hawkins:**

- Working at the Theater.
- Installing a bench at the walk trail in the boat ramp area where the flower bed used to be.
- Assisting the Waste with the CD dock and restroom extension on the scale house.
- We are getting ready to start back on the Madison St. lot finishing up the concrete work.
- We are getting ready to do some tree removal around town.
- We are going to start doing some residential sidewalks that are needing done.

Mayor Skinner asked if there was any update on the upgrades at City Park. Andrew Loudin stated that they are working with a high school group to provide benches. He suggested that anyone interested come to Parks & Recs meeting.

Regarding the theater, David Hartley from WVWC donated sound equipment. Mr. Sanders stated that the CAC is becoming more efficient.

Board member Waldo questioned if we could have hinge lids on the lights at the bathroom at the River Walk. Mr. Arnold reported that does not really deter any of the vandalism, and that vandalism does increase in the winter at the River Walk restrooms due to people staying in them.

Board member Pam Bucklew asked if we are taking applications for a city park attendant. Notice to accept application will be published in the newspaper and on facebook.

G.7 WVWC Request City to Paint a Pedestrian Crosswalk on College Avenue from the Virginia Thomas Law Center for the Performing Arts to the Sidewalk by the Lynch Raine Administrative Building: There was some discussion about lighting in that area, suggestion the City to partner with the College. However, at this time, just the crosswalk painting is requested.

February 7, 2024

City of Buckhannon Consolidated Public Works Board 70 East Main Street Buckhannon, WV 26201

To the Board

On behalf of West Virginia Wesleyan College's Student Senate, we would like to request for the City of Buckhannon to paint a crosswalk on College Avenue from the Virginia Thomas Law Center for the Performing Arts (PAC) to the sidewalk by the Lynch Raine Administration Building. Our representative to City Council, Meredith Cottrell, brought the request to City Council on February 1, 2024, and our students feel that vehicles travel too fast on that stretch of College Avenue and it is sometimes dangerous for our students crossing from the PAC or the commuter parking lot. We do appreciate the speed tracking device that has been placed there!

In addition, there are a couple of street lights around the campus maintained by the City that we would like to see repaired for safety and security purposes. One in on Lumber Street, the street light that is by the old tennis courts and the Track & Field throwing pit, and the other is near the intersection of Camden Avenue and Meade Street, the double light on the very end near Dunn Hall.

Thank you for your time in reviewing this request. As always, we appreciate all that the City of Buckhannon does for our students.

Sincerely,

Lasie Michols

My family would like to thank the Consolidated Board of the City of Buckhannon for considering my petition.

There were questions regarding liabilities with taller stage; will need to check with our City Attorney and Jamie Powell, Insurance Agent regarding this. **H. Board Members Comments and Announcements** 

H.1: Pam Bucklew: Nothing H.2: Jack Reger: Nothing H.3: Mark Waldo: Nothing

**H.4: Nancy Shobe:** She asked about blessing boxes. Andrew Loudin will go to Lowes to see if we can get supplies donated. She also questioned that the governor has a fund that he can "dole" out. Mayor Skinner stated that the UCDA has applied multiple times, but have never received funding. **H.5: Randy Sanders:** He was approached by a citizen regarding the homeless people in Jawbone Park; they do not feel safe in Jawbone Park and have seen needles there. Homeless people can be there. If laws are broken, the police will respond. Mayor Skinner reminded that the Homeless Coalition is still having meetings. He stated that private businesses need to have signage that state "No Trespassing, No Solicitation." All city parks have signage that they are closed from sundown to sunrise. The CAC had a successful event on Tuesday, Jazz & Java, and is looking forward to O'Pioneer on Friday at 6:00 p.m.
