Posted 05/17/2024

A. Call to Order—Mayor Skinner called the meeting to order and asked all to join him in a Moment of Silence, followed by the Pledge to the Flag of the United States of America.

B. Recognized Guest

B.1 No guests on the Agenda

Mayor Skinner noted that no guests had requested to be placed on the agenda. He then went to the public sign-in sheet, and Lisa Gum was the first to sign in who he recognized. Lisa Gum introduced herself as a concerned Buckhannon citizen who follows the city's happenings. She spoke about the Really Really Free Market, which has requested to use Jawbone Park but does not want to secure the required insurance. Nor do they want to accept donations to cover the cost of the required insurance. She provided her support for the Really Really Free Market to be able to hold the event

without the required insurance. The next speaker who was recognized to speak was Marcia Drake, who introduced herself as a member of the Really Really Free Market group. She provided her background and some information on the Really Really Free Market. She requested that the Consolidated Public Works Board and the city waive the insurance requirement for the Really Really Free Market. Mayor Skinner noted that since the subject was not on the agenda, no actions could be taken regarding these requests. The public comment period of the meeting was closed at 7:50 a.m.

C. Department Report

C.1 Bradley Hawkins: Mr. Hawkins was not present, so Mayor Skinner recognized Jerry Arnold and Andrew Loudin, who presented the following report: The flagpoles had been put up at the cemetery; the new light pole had been installed at the Public Safety Complex; and the Street Department worked closely with all of the events of the WV Strawberry Festival. Mr. Loudin then participated in a Q&A with the Board, which included a discussion regarding the Blessing Boxes.

City of Buckhannon

Dear Counsel Members,

The First Baptist Church is formally requesting two additional Handicapped Parking spaces. One on Florida Street and one on Arnold Avenue.

Our congregation is older and we have found that the spots we have are not sufficient. The placement of one additional Handicapped spot on each street will ease the burden of parking for our elderly members.

Thank you in advance for consideration of this matter. You may contact myself or Ransom Hackett 304-641-2736, on this matter.

Sincerely yours

Stephen R. Lee

H. Board Members Comments and Announcements

Pam Bucklew: Mrs. Bucklew stated that she was reconsidering the Really Really Free Market request and asked if there was a way to allow them to use the park without insurance. A discussion took place revisiting the risks of legal exposure to all concerned if they were allowed to do so, which is why insurance is required. After the discussion, Mrs. Bucklew noted that she felt better about the reasoning for the CPWB decision.

Jack Reger: Mr. Reger asked Andrew Loudin and Jerry Arnold if the cemetery was ready for the Memorial Day activities. Both indicated that it was.

Mark Waldo: Mr. Waldo commended the city employees on their great work with the recent WV Strawberry Festival. He then asked about the height of the new stage built at Jawbone Park and what we would do about a railing if required. Mr. Arnold explained the procedures and schedule that we are following and that all safety requirements will be met.

Nancy Shobe: Mrs. Shobe has seen one car in the wrong lane at Apothecary Lane. Otherwise, the traffic flow is much better.
