8. Department Report - Waste Department Superintendent, Dakota Arnold

- a. Waste Collection Report Mr. Arnold reported the following
- The recycling center has been re-arranged and the wiring has been installed for the soft plastic baler from Buckhannon-Upshur Rotary Club.
- We had to put one of our transfer road tractors out of service sooner than we wanted to. It is being replaced with the road tractor we ordered. The new truck is due to be delivered on January 2nd. The truck that has been retired will be in the next Partner Auction.
- The helper that we discussed having to replace last meeting has decided to stay with us.
- We purchased a new to us Welding/fabrication table from CJ Martin out of the old Main Line building for \$1,500.00. We were planning to build one this year, however the deal and the uniqueness of this table was something we couldn't pass up.
- We took delivery of our yearly dumpster order.
- It is looking like in January we will be losing one of our guys to retirement.
