4. Mayor's State of the City Address: Mayor Skinner deliver the annual State of the City Address:

Good evening. On behalf of City Council, our administration, staff, employee family, business owners, visitors, and 6,000 corporate residents, it is my honor and privilege as Mayor of my hometown to bring you the State of the City address – highlighting the many accomplishments from 2025, and planning for an exciting 2026.

Tonight, we not only gather to transact the first official business meeting of our City for 2026, but because of this specific date, we also pause, reflect, and celebrate as it was on this day—January 15, 1816—that our beloved community was founded. Today, we mark 210 years of the City of Buckhannon. Two centuries and a decade ago today, along the banks of the Buckhannon River in what was then the Commonwealth of Virginia, our community was established with hope, determination, and a belief in the future. Although much has changed in 210 years, the spirit that defines and binds us together remains the same.

Our city's story is one of resilience, hard work, and love of place. From our earliest days as a frontier settlement in the upper foothills of the Allegheny Mountains, through times of growth and challenge, and into the modern era, our city has endured and adapted while never losing its sense of community. Tonight, we honor that legacy—and recommit ourselves to the responsibility of stewarding Buckhannon into its next chapter.

As mayor, I am constantly reminded of just how special our City is, not just to me, but to every resident, business owner, and visitor. We are a community where people still know their neighbors, where history and progress are intertwined, and where civic pride runs deep. From our vibrant downtown to our well-maintained neighborhoods, newly renovated parks, and exciting festivals, we are a community that has benefitted tremendously from a strong spirit of volunteerism and love of place shared by everyone who calls Buckhannon home. Our city offers a quality of life that is hard to match. We are home to dedicated public servants, caring educators, a thriving arts culture, and families who invest their time and hearts into this city every day. What makes Buckhannon great is not just our beautiful setting or our rich history—it is our people, their kindness, resilience, and unwavering commitment to making this community a welcoming place to live, work, and play.

The State of the City

Tonight, I am proud to report to you that the state of our City is strong and forward-looking. Rooted in our shared values of public service, civic engagement, and thoughtful investment in infrastructure and quality of life, Buckhannon is well-positioned to enjoy many more successes in our next 210 years.

Now, to highlight, in part, the actions that have brought us to this point. Over the past year, each city department has contributed to meaningful accomplishments that benefit the daily lives of our residents, and set the stage for long-term growth. As a City Council, we extend sincere and heartfelt gratitude to each member of our city government family – all who've been instrumental in making the improvements and accomplishments we bring you tonight happen. We truly have the best team of any

small town in America.

City Water Department

Our City Water Department is in the process of undertaking the most significant infrastructure improvement project in our City's history. Constructing a new water treatment facility is an incredible commitment to the future of our community. Ensuring the delivery of reliable and safe drinking water for all of Upshur County is enormous responsibility, and certainly not one we take lightly in our organization.

For an entire year now, we have earnestly advanced, and are well immersed into the planning and financing of a \$47 million water treatment plant and associated pipeline upgrades, thus reflecting our dedication to long-term water quality and system capacity. This project proceeds with careful oversight and investment to modernize our water infrastructure for decades to come.

Everyone associated with the City of Buckhannon understands the concern associated with increasing water consumption rates, but this is a project that must be done. We also recognize that members of our community still have questions surrounding the project. Thanks to City Recorder Randy Sanders and our water plant management team, a comprehensive frequently asked questions (FAQ) document is available on our website, and has been circulated on our City's Facebook page. We encourage everyone in Upshur County review this information in order to best understand the full scope of this complex project.

City Sanitary and Waste Services

Throughout 2025, our City's Sanitary Department completed major infrastructure upgrades to strengthen our sewer system and improve service reliability. Crews extended sewer service for new development, replaced failing clay lines with modern PVC pipe on multiple areas including Lower Drive, Island Avenue, Monongalia, Henry, and South Kanawha Streets, renewed service to existing customers, and removed outdated manholes and taps. Significant improvements were also made at our treatment plant and pump stations, including major clarifier repairs and full upgrades to our pump stations—all projects that extended the life of critical infrastructure and improved system performance. These investments help protect public health, support growth, and ensure dependable sanitary service for many years ahead.

The City's Waste Collection Department continues to work diligently to make recycling and access to our services offered faster, easier, and cost-effective for our residents and business owners. In 2025, local community initiatives like the Buckhannon Rotary Club's "Recycle Beyond the Bag" program are expanding recycling awareness and diverting harder-to-recycle plastics from waste streams, showing strong community support for sustainability. Our City is proud to partner with our local Rotary club on this project.

City Street Department

In 2025, our City Street Department crews upgraded just under a mile of ADA-accessible sidewalks, completing major projects along Island Avenue, North Florida, Pocahontas, and South Kanawha Streets—improving safety, accessibility, and walkability across our city. The City also invested nearly \$400,000 to resurface more than a mile of streets, including Lower Drive, Reger Avenue, Ohio, Ritchie, West and East Lincoln, and South Florida Streets. In addition to roadway improvements, a new stage was constructed in Jawbone Park, further enhancing our Downtown and community event space. Crews also completed a street widening and curbing project on Ritchie Street and began similar improvements on Pocahontas Street, both of which will improve aesthetics, traffic flow, and safety. Finally, we expanded its urban tree program, planting approximately 80 new trees throughout the City, contributing to beautification, shade, and long-term environmental health.

City Engineering

In 2025, the City's engineering work focused on completing major infrastructure projects and preparing Buckhannon for future growth. The Island Avenue Utility and Street Improvement Project is nearly complete, delivering new gas, water, sanitary, and storm lines along the north side of Island Avenue. All ARPA-funded water and sanitary sewer improvement projects—totaling more than \$2.3 million—were completed by August, along with utility extensions supporting the new CMH housing development.

Ongoing efforts included GPS and GIS mapping of city utilities, maintaining the City's Class 8 flood rating, which provides residents situated within a designated flood zone a 10% flood insurance discount. Engineering support also advanced key community projects, including planning and bidding for improvements at the Charles W. Gibson Library, installation of a permanent backup generator at the airport booster station, and preparation of FEMA grant applications for citywide E-911 addressing and storm sewer upgrades. These efforts ensure Buckhannon remains resilient, well-planned, and positioned for the future.

City Police Department

The Buckhannon Police Department finally returned to full strength in 2025, allowing for better coverage to include patrols, investigations, as well as community engagement. The peer liaison position embedded within the police department by First Choice Services also continued to be a major asset to the City of Buckhannon by providing assistance through treatment, shelters, and other programs to numerous citizens in need. The department also continued to focus on the ongoing education of its officers by hosting a variety of training classes throughout the year.

Moving into 2026, the police department has plans to host several trainings at both the Training Room at the Public Safety Complex, as well as at the Event Center at Brushy Fork for larger scale trainings that attracts a greater number of students. We are also working to re-establish our Youth Police Academy program with the anticipation of returning this very popular event in the summer of 2026.

City Fire Department

In 2025, our City of Buckhannon Fire Department responded to 1,114 incidents, which represents a 3.5% increase over the previous year, reflecting both growing demand and the department's continued readiness. We made important strides in staffing by increasing our volunteer ranks from seven to twelve members and returning our career staff to full strength. Thanks to the development of certified in-house instructors, we are now able to train new firefighters locally—allowing recruits like our newest career firefighter, Josh Bowers, to complete academy training while on staff. Our department also became the only certified swift water rescue provider in Upshur County, supported by new training, specialized safety equipment, and two rescue boats—resources already used in real-world emergencies. Major investments continued at the Mudlick Road Fire Training Facility, including ongoing construction of the three-story burn building, completion of a rescue training house now used by both fire and law enforcement, and the addition of a flashover training unit donated by Loudoun County, Virginia. Finally, through a federal grant, the department acquired approximately \$40,000 in physical fitness equipment, supporting both physical readiness and a growing regional mental wellness program further improving member health, morale, and retention.

Looking Ahead

The future of the City of Buckhannon is bright and full of promise. We are entering the New Year with momentum, optimism, and a shared excitement for what lies ahead. From continued infrastructure improvements and large-scale community investments to new opportunities for growth and engagement, 2026 will be a year that builds on our progress while celebrating everything that makes Buckhannon special.

This spring, we will once again welcome visitors from across the globe for the 84th annual West Virginia Strawberry Festival—a beloved tradition that showcases our hospitality, our heritage, and our ability to come together as a community. The festival is more than an event; it is a reflection of our City's spirit and a powerful boost to our local economy. That is why I am so proud that this organization, through unanimous support from City Council, is stepping up to support our most treasured event like never before with a total sponsorship allotment of \$50,000 for the 2026 festival. President Shane Jenkins and the entire all-volunteer Board of Directors are working hard to ensure that the third week of May in 2026 is the most special yet!

As summer arrives, the Almost Heaven Barbecue Bash and Create Buckhannon's Festival Fridays will return to Downtown, filling Jawbone Park with music, food, laughter, and family-friendly fun, while supporting local businesses and creating lasting memories for residents and visitors alike. In 2026, we will continue focusing on the foundations of a strong city—safe streets, reliable utilities, vibrant public spaces, and responsive city services—while also focusing on quality-of-life enhancements that make our City such a great place to live, work, and visit. We will continue building partnerships, pursuing grants, and planning responsibly for the future, ensuring that progress is thoughtful, inclusive, and sustainable.

Most importantly, the year ahead will be defined by the hearts of our people—neighbors helping neighbors, volunteers stepping up, businesses growing, and families putting down roots. With pride in our past and confidence in our future, 2026 promises to be a year of opportunity for the City of Buckhannon.

Buckhannon is more than a city—it is a home, a family, and a community that shows up for one another day after day. To our city employees, first responders, volunteers, educators, business owners, civic leaders, and residents—THANK YOU for believing in our City and for working every day to make us better. Your pride, care, and high-quality of work are the foundation of our city's success. It is an honor and a privilege to serve as Mayor of my hometown, and together, with gratitude for our past, love for our present, and hope for our future, we will continue building a City of Buckhannon that generations to come will be proud to call home.

Thank you.
Respectfully submitted,

Robbie Skinner
Mayor, City of Buckhannon

5. Approval of Previous Meeting Minutes: Regular Meeting: 12/4/2025, 12/18/25 – Mayor Skinner noted that the Meeting Minutes for December 4, 2025, were available for consideration and asked for corrections or approval as presented.

Randall/Zuliani moved to approve the minutes of the 12/4/2025 meeting as presented. The motion carried.

6. Recognition of Guests – Mayor Skinner acknowledged the following:

a. Debbie Snyder & Rhonda Cerullo

i. Proclamation “Rosie the Riveter” - Neva Lee Reed Snyder – Mayor invited Debbie Snyder & Rhonda Cerullo forward to accept the following proclamation honoring their friend, Neva Lee Reed Snyder:

**PROCLAMATION
HONORING NEVA “LEE” REED SNYDER
BUCKHANNON’S OWN ROSIE THE RIVETER**

WHEREAS, during World War II, more than six million American women stepped forward to support the nation’s war effort, serving in factories, shipyards, and military installations across the country; and

WHEREAS, these women—forever known as *Rosie the Riveters*—embodied the spirit of determination, patriotism, and resilience, proudly declaring, “*We Can Do It!*”; and

WHEREAS, Buckhannon’s own **Neva “Lee” Reed Snyder** was among these remarkable women, contributing her skill, discipline, and unwavering commitment to the defense of our nation; and

WHEREAS, Lee was born in Buckhannon to Carl and Georgia Reed and graduated from Buckhannon-Upshur High School on May 21, 1943—the same day she married her beloved husband, **Martin “Junior” Snyder**; and

WHEREAS, shortly after their marriage, Junior was called to Marine Corps boot camp and later served as a tail gunner in a bomber aircraft, a role of extraordinary danger and sacrifice; and Lee made her home in Cherry Hill, North Carolina, where she began her service as a Rosie the Riveter, working on a secured military base, following strict protocols, and ensuring that aircraft mechanics received the critical parts they needed.

WHEREAS, after the war, Lee and Junior returned home to Buckhannon, where she worked at the Weston Glass Factory before beginning a 20-year career at West Virginia Wesleyan College, retiring in 1986; and

WHEREAS, Lee and Junior raised one son, Terry, who, with his wife Debbie, blessed them with two granddaughters and one great-granddaughter—the joys of Lee’s life; and

WHEREAS, at 99 years old, Lee continues to recall her Rosie the Riveter years with clarity and pride. Although Lee is unable to attend today’s ceremony, her dear friend **Rhonda Cerullo** and her daughter-in-law **Debbie Snyder** are present to accept this recognition on her behalf;

NOW, THEREFORE, I, ROBERT N. SKINNER, III, MAYOR OF THE CITY OF BUCKHANNON, do hereby issue this **Proclamation of Honor** recognizing Neva “Lee” Reed Snyder for her extraordinary service to our nation during World War II and for her lifelong contributions to the Buckhannon community. Her legacy as a Rosie the Riveter stands as a testament to courage, patriotism, and the enduring strength of American women.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Buckhannon to be affixed this 15th day of January, 2026.

**Robert N. Skinner, III, Mayor
City of Buckhannon**

b. Steve Wykoff, Coordinator of the Buckhannon City Police Volunteers in Police Service (VIPS)

i Member Recognition, Awards & Annual Report – Mayor Skinner recognized Steve Wykoff, Coordinator of the Buckhannon City Police Volunteers in Police Service (VIPS) for the Member Recognition, Awards & Annual Report:

**Buckhannon Police Department
Volunteers In Police Service (VIPS) Program
2025 Annual Report**

Membership and training

- VIPS began 2025 with twelve active members, and had six deactivations during the year. We ended 2025 with six active members.
- We continue to enhance our member training to align with the Buckhannon Police Department and the Federal Emergency Management Agency's (FEMA) National Incident Management System (NIMS).
- Our training covers ethics, basic medical, basic search and rescue, basic fire suppression, traffic and crowd management, basic and advanced disaster / multi casualty incident (MCI) management, as well as other topics and skills. In 2023, we began aligning our training schedule with that of the police officers to better achieve CALEA standards. With the exception of the firearms training and the state police academy, VIPS members and BPD officers will receive almost identical training.
- A current list of training requirements and recommendations is listed on pages 7-8.
- If you or someone you may know is interested in joining the VIPS program, or would like more information, visit www.buckhannonpolice.com/vips.html.

Attended Events

- VIPS were requested for and participated in 127 public and private events in 2025 by providing traffic control, foot patrols, and enhancing public relations between law enforcement and our community. There were no public health related events and no emergency responses.
- See pages 4-6 for a complete list of this past year's events.

Hours Volunteered

- In addition to assisting with the listed events, VIPS members also assisted the department with administrative tasks, business security checks and by performing ride along details with officers.
- VIPS volunteered over 1560 hours during 2025, allowing officers to tend to other enforcement related situations during those hours and potentially saving the city over \$45,500.00 in labor. *(Savings are calculated based on the current value of a volunteer hour for the state of West Virginia, which is \$29.13 according to www.independentsector.org. For comparison, the overall national value of a volunteer hour is \$34.79.)*
- The chart on page 2 breaks down VIPS 2025 hours by month and member. Our annual hours are tracked from December 1 – November 30.

7. Public Comment—Motion to Open & Close Requested – Without objection, Mayor Skinner opened the Public Comment portion of the meeting. Mayor Skinner recognized the following individual:

Rhett Dusenbury conveyed the Congressman’s congratulations to the VIPS award recipients and extended best wishes to the organization on its 25th anniversary and continued success in its 26th year. He informed Council that updated information from the Congressman’s office for 2025 had been placed in their mailboxes and is also available on the office’s website under the media tab for download or printing.

Dusenbury noted that the next round of community funding information is expected in mid-February, and he will provide printed copies and email the materials to Council when available. He closed by thanking Council and all public servants for their ongoing service to the City of Buckhannon, Upshur County, and the State of West Virginia.

Without objection, Mayor Skinner closed the Public Comment portion of the meeting.

9. Public Works Report – Director of Public Works Ethan Crosten: Mr. Crosten presented the following report:

Buckhannon City Council
Public Works Director Report
By: Ethan Crosten

Street:

- Completed the sidewalk project on Cooper Street. We will be moving to Fayette / Ritchie Street next to complete the budgeted sidewalk project there.
- Started removing the old playground equipment at NBRFP in preparation for the new equipment this spring.
- Removed the Christmas Decorations from around town.
- Dealing with snow and ice as it comes.

Waste:

- We are currently accepting applications for a laborer to fill the opening due to Rod Woods retiring.

Sewer:

- Continuing to work on the Henry Street sanitary sewer upgrade.
- Dealing with several complaints and collection system issues.

Stormwater

- Received and reviewed the second round of appraisals for the Taylor Street Stormwater project.
-

Water:

- Working to get a crack in one of the filter beds repaired.
- Dealing with several leaks.
- Continuing to work on the asset management plan, with it being completed

Zoning and Code Enforcement

- Nothing New

Engineering:

- Charles W. Gibson Library Remediation Project – The roof replacement Bid Package is complete and the project will officially be out for bid on Wednesday, January 14, 2026. The bid opening will be on February 28, 2026 at 1:30 PM. The roof replacement project is scheduled to begin early- to mid-April 2026.
- Colonial Arts Center – The first phase of the fire suppression sprinkler line will take place and the and installation of new HVAC return ductwork will begin no later than February 1, 2026 and shall be completed before the end of the month. Due to rehearsals for a March 2026 performance, no construction activities will take place on the framing and new wall & bulkhead phase of the project. This phase will not begin until April 1, 2026 at the earliest. (Amby to provide additional information).
- WVDOH Transportation Alternative Program (TAP) North Locust Street Sidewalk & Lighting Project (Gateway North) – Per the City Council’s decision on December 18, 2025, the project was postponed indefinitely because of access issues with property owners and the City will discuss further funding opportunities with the WVDOH regarding a sidewalk project along Route 20 South. I have let the WVDOH know of the decision but have yet to hear back from them.

FEMA / WVEMD – Taylor Street Storm sewer grant application – The additional round of appraisals for the four (4) parcels were conducted in December 2025 and the appraisals shall be discussed at the January 15, 2025 Sanitary Board meeting. I am continuing to work with the WVEMD on the FEMA grant application revisions and BCA scenarios. I plan on submitting the grant application before the end of January 2026 as the application deadline is now March 4, 2026.

11. City Attorney's Report – Thomas J. O'Neill - City Attorney Tom O'Neill informed Council that the eminent domain proceeding for the Wood Street property associated with the Water Treatment Plant project has been filed, and service on the property owner has been initiated. The first hearing is scheduled for February 25th, and no City representatives are required to attend. If testimony becomes necessary, he will coordinate with City Engineer Jay Hollen.

a. Update on American Legal Publishing Codification - O'Neill also provided an update on the City's codification project. American Legal Publishing has begun work, but the City must supply any ordinances from the past ten years that are not currently posted on the website. He explained that the codification process will include language cleanup and consolidation of all amendments into a unified code, a task expected to take approximately one year. The final product will resemble the structure of the West Virginia Code, with improved clarity and organization. Once complete, Council will adopt the new code by ordinance, and all prior ordinances will remain available for reference regarding legislative intent.

12. New Business Discussion - Mayor Skinner provided an overview of the following request, combining them into one action:

a. Accept Resignation Theresa Black, Upshur County Board of Health

b. Accept Resignation Paula McGrew, Planning Commission

Sanders/Randall moved to approve both the resignation of Theresa Black from the Upshur County Board of Health, and, accept the resignation of Paula McGrew from the Planning Commission. The motion carried.

13. Council Members' Remarks and Announcements

Scott Randall: Mr. Randall offered his congratulations to the evening's honorees and expressed appreciation to all VIPS members. He extended special recognition to "Rosie the Ripper," Neva Snyder, for her accomplishments. Randall also commended Mayor Skinner, describing his remarks as a thorough and inspiring message of hope for the community. Randall concluded by thanking the Mayor for his leadership.

Robert Zuliani: Mr. Zuliani expressed his appreciation for the many volunteers who support City events, noting the significant number of hours they contribute behind the scenes. He emphasized that their efforts often go unrecognized but play an essential role in assisting the police and ensuring City events run smoothly.

Jack Reger: Mr. Reger had no further comments.

Pamela Bucklew: Mrs. Bucklew was absent.

14. City Recorder's Report, Remarks, and Announcements

a. Report of Events, Correspondence, and Information – Recorder Sanders reported on the following:

i. Notice Advertisement for Bids- Charles Gibson Library Roof Replacement Project

ADVERTISEMENT FOR BIDS
CITY OF BUCKHANNON
CHARLES W. GIBSON ROOF REPLACEMENT PROJECT

The City of Buckhannon (City) will accept sealed bids for the Charles W. Gibson Roof Replacement Project, which consists of the purchase, delivery and installation of an EPDM Single-Ply Membrane Roof, new rigid insulation and all necessary appurtenances until 1:30 PM EST on Tuesday, February 24, 2026 at City Hall, at which time all received bids will be opened and publicly read aloud.

The Charles W. Gibson Roof Replacement Project, all contract specific-related work activities and all necessary appurtenances shall conform to the contract specifications & drawings and other requirements identified in the Bid Package.

A mandatory Pre-Bid Meeting will be held at the Charles W. Gibson Library, located at 105 East Main Street, Buckhannon, Upshur County, West Virginia 26201, on Friday, January 30, 2026 at 10:00 AM EST. Weather permitting, a site visit, consisting of physically viewing, inspecting and documenting the existing roof to be replaced shall take place after the Pre-Bid Meeting. A sign-in sheet will be available and must be signed by all attendees at the beginning of Pre-Bid Meeting. Failure to attend and sign the sign-in sheet shall prohibit the Bidder(s) from submitting a Bid on the Charles W. Gibson Library Roof Replacement Project.

The Bid Package may be obtained by each Bidder from the City Engineer for the City of Buckhannon, located at 70 East Main Street, Buckhannon, West Virginia 26201. If the Bidder requests that the Bid Package be mailed, Bidders shall pay \$25.00 for the cost of shipping the Bid Package. Bidders may also elect to have the Bid Package delivered electronically. The Bid Package shall be available on Wednesday, January 28, 2026.

All clarifications, questions or comments regarding the contents of the Bid Package shall be submitted in writing and either mailed or faxed to the address below or emailed to jay.hollen@buckhannonwv.org. No clarifications and questions will be accepted after 4:30 PM EST on Friday, February 6, 2026.

If a Bidder is submitting alternate products to the types of materials specified in the Bid Package, the Bidder shall provide product literature, including detailed specifications, drawings and information, for review and approval by the City Engineer no later than 4:30 PM EST on Friday, February 6, 2026.

Bids for each contract shall be submitted in a separate sealed (inner) envelope containing the Official Bid Form, and included in a larger sealed (outside) envelope containing the Required Bid Security in the form of either a Bid Bond, which shall be equal to 5% of the total base bid or a Cashier's Check, which shall be equal to 5% of the total base bid, a Power of Attorney form, Evidence of a current & valid West Virginia Contractor's License, a Certification of Equal Employment Opportunity, a Certification of Non-segregated Facilities, a Drug Free Workplace Conformance Affidavit, a West Virginia Jobs Act Compliance Certification and Certification of Receipt of Addenda.

All sealed envelopes shall have the following information in the lower left-hand corner for the respective Contract being bid:

Contract No. 1

"Name and Address of Bidder"

City of Buckhannon

Charles W. Gibson Library Roof Replacement Project

Each bid may either be hand delivered or mailed to the following address:

Mr. James S. Hollen, III, PE, City Engineer

City of Buckhannon

70 East Main Street

Buckhannon, WV 26201

No Bid may be withdrawn for a period of sixty (60) days after the time of the opening of the Bids.

The City reserves the right to reject any and all bids, to award the Project to a Bidder other than the low Bidder and to waive any informality in bidding. The City reserves the right to reject any and all bids that are not in the best interest of the City. In addition, the City also reserves the right to terminate the Contracts at any time due to noncompliance with the City of Buckhannon's expectations and requirements.

Honorable Robert N. Skinner, III, Mayor

City of Buckhannon

01-02-2026

v. March 21, 2026 – Central WV Friends of the NRA

Recorder Sanders echoed the congratulations offered by other Council members and commended Mayor Skinner for delivering an excellent State of the City address, noting that the review of the past year was valuable to hear summarized. He extended congratulations to the VIPS and spoke to his experience working with them both as a private citizen and as a City official, praising their dedication, reliability, and service during City events, emergencies, and community activities. He recognized Steve Wyckoff for his leadership of the program and asked Chief Gregory to relay the

City’s appreciation. Sanders also reminded residents to take precautions for outdoor pets during the extreme cold, emphasizing both the moral responsibility of pet ownership and the City ordinance prohibiting tethering animals outside when temperatures fall below freezing. He encouraged all pet owners to ensure their animals are protected during winter weather.

15. Mayor’s Remarks and Announcements - Mayor Skinner extended his gratitude to all and wished everyone a wonderful weekend.

At 8:00 p.m., Randall/Zuliani moved to convene an Executive Session under West Virginia Code §6-9A-4 to discuss personnel matters. The motion carried.
